

Nuclear Test Ban Will Be Signed By Three Nations

MOSCOW (AP) — The United States, Britain and the Soviet Union today initiated a treaty banning nuclear weapons tests in the air, outer space and under water.

The historic agreement was initiated by U.S. Undersecretary of State W. Averell Harriman, British Science Minister Lord Hailsham and Soviet Foreign Minister Andrei Gromyko.

The three spokesmen announced the action after a three-hour meeting at the Foreign Ministry reception hall in Spiridonovka Palace.

Harriman told the newsmen that he had completed a "very important work."

Gromyko told nearly 100 assembled reporters: "The end has

Kennedy Dodging Railroad Issues; Rep. Griffin Says

WASHINGTON (AP) — Rep. Robert P. Griffin, R-Mich., Wednesday accused President Kennedy of seeking to dodge the issues in the current rail labor dispute. He called the Administration plan "a stopgap, one-shot approach which does not squarely face up to the problems."

The Michigan congressman proposed a bill "to prohibit featherbedding practices in the railroad industry," and a resolution to create a 16-member House - Senate committee on industry-wide bargaining.

Griffin conceded that wouldn't solve the immediate strike threat, but he told the House "we should be moved by the current situation to take action now which can avoid or minimize the possibility of another such crisis."

WASHINGTON (AP) — Rep. Robert P. Griffin, R-Mich., Wednesday accused President Kennedy of seeking to dodge the issues in the current rail labor dispute. He called the Administration plan "a stopgap, one-shot approach which does not squarely face up to the problems."

The Michigan congressman proposed a bill "to prohibit featherbedding practices in the railroad industry," and a resolution to create a 16-member House - Senate committee on industry-wide bargaining.

Griffin conceded that wouldn't solve the immediate strike threat, but he told the House "we should be moved by the current situation to take action now which can avoid or minimize the possibility of another such crisis."

South Viet Nam Has 14,000 U.S. Military Advisers

SAIGON, Viet Nam (AP) — The number of U. S. military advisers in South Viet Nam has reached 14,000, qualified sources said today.

The buildup in the American military establishment here began in late 1961 when the threat of a victory by Communist guerrillas was recognized as critical. At the time, there were only about 1,000 American advisers here.

Besides servicemen, there are at least 1,000 official American civilians working directly or indirectly on the war effort against the Viet Cong. These include U.S. Aid Mission representatives working on problems of hamlet development and defense.

Auto Production At Alltime High

DETROIT (AP) — U.S. auto makers, who have been setting production and sales records with regularity, reported today their output of 1963 model cars has reached an alltime high.

Vehicle No. 7,130,001 rolled off the assembly line either late Wednesday or on an early shift today, breaking the alltime model high of 7,130,000 set with the 1955 cars.

Observers agreed the industry would turn out an additional 210,000 cars before all assembly line operations are halted by mid-August for the changeover to 1964s, that would set the final 1963 model run at 7,340,000.

It was impossible to tell just which of the auto assembly plants across the country turned out the history-making vehicle.

Weather

Data by Weather Bureau, Escanaba and Associated Press

UPPER MICHIGAN: Partly cloudy tonight and Friday with chance of scattered thundershowers, mostly in west portion Friday or Friday night; lows tonight 60° to 67°; highs Friday 85° to 92°.

Outlook for Saturday: Chance of showers east, but clearing and turning cooler in west.

ESCANABA AND VICINITY: Considerable cloudiness and warm tonight and Friday with chance of thundershowers late Friday or Friday night. Low tonight around 60°; high Friday 80° near the lake-shore to 90° a few miles inland. Southerly winds 6 to 12 mph tonight becoming 10 to 18 mph Friday.

London Vice Girl Boomed, Egged

LONDON (AP) — Spectators threw two eggs at Christine Keeler and boomed her angrily today when she left the old Bailey court after giving further testimony in the Stephen Ward vice trial.

One egg hit a news photographer on the head. The second splashed on the sleeve of a policeman.

Miss Keeler hurriedly entered a taxicab and drove away.

A crowd of several hundred milled around outside the court building when Christine—the 21-year-old play-for-pay girl who caused John D. Profumo to resign last month as Britain's minister of war—tripped down the steps at the luncheon adjournment.

Women hissed and there were shouted insults.

The photographer who accidentally became an egghead was Bob Dear of The Associated Press.

Christine had been recalled by defense counsel James Burge for questioning about her use of Marijuana, a narcotic smoked in cigarettes. She had touched on that in her first appearance in the witness box Monday.

Today she testified that Ward had introduced her to marijuana in 1961 when she was living at one of his flats.

Algerian Officials Come To Havana

ALGIERS (AP) — Cuban economic chief Ernesto (Che) Guevara left by plane for Cuba Wednesday after a 20-day visit to Algeria.

Guevara was accompanied by a delegation headed by Col. Houari Boumedienne, Algerian deputy premier and defense minister.

The delegation will attend celebrations in Havana marking the anniversary of Prime Minister Fidel Castro's revolutionary movement.

State Prison Farm Escaper Hunted

JACKSON (AP) — Police were searching Jackson County today for a Southern Michigan Prison farm trustee who walked off Wednesday night.

Albert Reese, 44, was serving a 15-30 year term for assault to commit armed robbery. He was sentenced from Detroit in 1956.

Communism Fails In East Berlin, Nixon Discovers

BERLIN (AP) — Former Vice President Richard M. Nixon made an unheralded return visit to East Berlin Wednesday night and found that "communism is a complete failure in East Berlin."

He said he found the East Berliners even more anti-communist than the Poles and the Hungarians.

Heckled by Communists and trailed by a horde of security agents on his scheduled visit earlier in the day, Nixon decided to see "what life is really like in East Berlin."

Cheered in Night Club
Walking dimly lit streets, Nixon encountered East Berliners who whispered "I'm no Communist, Mr. Nixon" and "our only hope lies in you Americans," then disappeared in shadows.

Youths in a night club cheered when Nixon told them, "I've been in Budapest and I only hope you people can come some day get at least the small amount of freedom that the Hungarians have."

Nixon, visibly moved by the East Berliners' reaction, told The Associated Press in an exclusive account of his impressions:

"It was an unforgettable experience because after my first visit I wondered if the East German people might lack the will to resist that the Polish people and the Hungarian people have demonstrated on my visits to Warsaw and Budapest."

"But I found first-hand that the German people are, if anything, even more outspoken in their allegiance to the West and in their complete contempt for and opposition to the Communist regime than the Poles and Hungarians."

"Pray For Us"
Nixon spent two hours on his second trip behind the Red wall, accompanied by his wife, Pat; an official from the U.S. diplomatic mission in West Berlin; Jack Drown, a traveling companion of the Nixons from California, and an AP correspondent.

On a street corner a woman in her 70s kissed Nixon's hand, said "pray for us" and vanished into the night.

Just then a green car screeched

to a stop nearby. In it were two East German security agents.

"They've finally gotten the word we've hit town," Nixon said, starting toward the car. "I think the least we can do is tell them good night."

An American escort advised against it, and the Nixon party returned to West Berlin by taxi.

In the night club, Nixon played the Missouri Waltz on the piano and told the customers, "This is to a former political opponent." The crowd laughed, apparently understanding the reference to former President Harry S. Truman.

Afraid To Talk
One after another, the patrons went to Nixon's table to shake his hand and ask for his autograph.

"Don't you ever forget that we're not all Red here," said one.

"We worry at times that we've been forgotten," said another.

Railroad Strike Averted; Rules Held Off 30 Days

Rabbi Irwin Blank (left), of the Synagogue Council of America; Dr. Eugene Carson Blake (center), chief executive officer of the United Presbyterian Church; and the Rev. John F. Cronin of the National Catholic Welfare Conference pose at a House Judiciary Subcommittee hearing in Washington. They told congressmen that segregation is immoral and "racism is blasphemy against God." (AP Wirephoto)

Goldwater Leads Rockefeller In Popularity Race

ALBANY, N.Y. (AP) — Strategists in Gov. Nelson A. Rockefeller's political planning division take calmly the accounts of Sen. Barry Goldwater's growing strength in such states as Arkansas, Maryland and Idaho.

The New York governor and the Arizona senator are the two men most prominently mentioned for the Republican nomination for president next year, although neither has formally announced as a candidate.

Marriage Is Factor
Many observers think Goldwater is well ahead. Even Rockefeller's most ardent supporters concede the governor lost ground this year when he married the divorced mother of four children.

Nevertheless Rockefeller is mounting a strong campaign for the nomination.

Reports of Goldwater strength are interpreted here not by numbers of states but by delegate strength in the nominating convention next July.

Details such as these occupy practical politicians, rather than the liberal vs. conservative philosophical debate that is attracting public attention.

There will be 53 delegations at the convention—the 50 states plus the District of Columbia, Puerto Rico and the Virgin Islands. They will comprise 1,308 delegates. A majority of 655 votes will be needed for nomination.

This is the way the Rockefeller strategists view the situation:

South For Senator
Goldwater's main strength lies in the South, Southwest and Midwest. Give him every vote in every delegation from the 28 states in those regions and he would have 573—short of the nomination.

The nine big industrial states—New York, New Jersey, Massachusetts, Pennsylvania, Ohio, Indiana, Illinois, Michigan and California—will have a total of 512 votes. Rockefeller is counting on strong support from them.

He also looks to the 70 votes in the rest of New England, the 60 votes in the Western states of Oregon, Washington and Colorado and to the 37 votes in the combined delegations from Alaska, Hawaii, the District of Columbia, Puerto Rico and the Virgin Islands.

Other states are harder to classify, even in general terms.

The arithmetical exercises assume, of course, a convention showdown between Rockefeller and Goldwater.

Some observers are talking of a Rockefeller - Goldwater stalemate that could send the convention searching for other candidates.

Tops In Fitness
NEW YORK (AP) — A Washington state girl and a Utah boy were named Miss and Mr. Teen-age Physical Fitness Wednesday in a contest sponsored by the Dance Educators of America.

They are Claire Corbett, 17, of Seattle, and James D. Stokes, 14, of Sunset.

Oak Park Man, 43, Gunned To Death, Gangland Style

MOUNT CLEMENS (AP) — Detectives today probed possibilities of either a gangland-type slaying or an angry individual in the search for the killer of Sol C. Brodsky.

The 43-year-old Oak Park man, a former financial controller of the defunct Merchants Green Stamp Co., was gunned down with nine shots from a .38 caliber automatic pistol, police said. His body was found Wednesday alongside a rural road near Romeo.

Brodsky's death was "either a gangland-style killing, or someone was awful mad at him," Macomb County Sheriff's Det. Leland Eschburg said.

Police said he had many enemies. "He cheated many people," said Assistant Wayne County Prosecutor William Long.

Brodsky had been accused of several swindles, but his only criminal conviction was for purchasing favors to gain defense account orders during the Korean War.

He gained financial control of the Merchants Green Stamp Co. in the Fall, 1961.

A federal grand jury indicted Brodsky last April on the two charges of lying about what he did with funds he handled for the trading stamp firm.

Police found his body with seven bullet wounds in the back, one in the thigh and one in the back of the head.

The body was lying beside a rented car. Other car tracks indicated a car pulled in about the same time as Brodsky's, police said.

Brodsky's wife, Sylvia, said her husband called her Tuesday evening and told her he had to meet a man and would not be home until 10 p.m.

After being told that the dead man might be her husband, she was quoted as saying to Oak Park police, "If it was my husband then I know who did it." Police said she did not elaborate.

State Police said they talked with her later. They quoted her as saying she did not recall saying that to Oak Park police "and if I did, it was because I was upset and didn't know what I was saying."

Brodsky's brother, Leo, 46, also of Oak Park, was shot fatally last Nov. 29, by his partner in a laundry machine business when the two argued over dissolving the partnership.

The partner, Manuel Barris, 45, of Oak Park, was acquitted of first-degree murder by reason of temporary insanity.

He was remanded to the Ionia State Hospital last month.

There was no explanation why the Air Force waited so long before announcing the piggy-back launching.

The main objective, a spokesman said, was exploration of the earth's magnetic fields and their relation to energy reaching the earth from the sun.

Balky Door Delays Hoffa's Hearing
NASHVILLE, Tenn. (AP) — The pretrial hearing of Teamster President James R. Hoffa in U.S. District Court Wednesday was delayed by a balky closet door.

The stuck door defied the best efforts of a husky U.S. marshal, several bailiffs and numerous attorneys. While the government sent for a carpenter, Hoffa removed his left shoe and flailed away at the hinges.

Judge Frank Grey called a recess until the carpenter broke open the door.

The closet contained the defense attorneys' briefcases.

Russians Building New Base In Cuba, Refugees Report

MIAMI, Fla. (AP) — Russians are building a new base near Santiago De Las Vegas in Havana Province, and their military buildup continues throughout Cuba, newly arrived refugees reported today.

Carlos Fraga Perez, who lived in Santiago De Las Vegas eight years, said there are indications missile installations are going in at the new base.

Carriers Agree To Cooperate With Congress

WASHINGTON (AP) — The nation's railroads agreed today to put off for 30 days the posting of new manpower-trimming work rules. This averts a threatened nationwide strike next Tuesday.

Daniel P. Loomis, president of the Association of American Railroads, announced the decision at a House Commerce Committee meeting.

Loomis said the 195 carriers involved in the explosive work rules dispute would not impose the changes until 12:01 a.m. Aug. 29.

Loomis said the railroads were taking this step in order to cooperate with Congress which is considering President Kennedy's plan to turn the 4-year-old work rules controversy over to the Interstate Commerce Commission.

More Time Needed
The chairman of the House and Senate Commerce committees had requested the delay Wednesday, saying Congress didn't have time to act by Monday evening.

When the request was made, Loomis' immediate response was to say the railroads would be forced to continue "unnecessary payments for work not needed or not performed."

Key issue in the controversy is the makeup of the crews that operate trains. The railroads want to do away with some 60,000 jobs including those of 32,000 firemen and impose a variety of other rule changes.

Secretary of Labor W. Willard Wirtz argued the administration's case before the House committee for six hours Wednesday, while Loomis and Wolfe appeared before the Senate committee's four-hour night hearing.

Loomis said the executive board of his association unanimously approved Kennedy's proposal.

Earlier, H. E. Gilbert, the head of the independent Brotherhood of Locomotive Firemen and Engineers, said in St. Louis the five unions are all opposed.

Waterspout Hits Florida Beaches

PENSACOLA, Fla. (AP) — A cone of water a half-mile high whipped out of the Gulf of Mexico and cut a two-mile path through a lagoon. It ripped up fishing camps, demolished pleasure boats and temporarily stranded at least nine persons. But no injuries were reported.

Fishermen estimated the water spout—which is a tornado over water—was pushed by winds of more than 100 miles an hour when it struck Wednesday.

The main damage was done by one huge water spout, estimated by observers to be a half-mile tall and more than 200 yards at the base. But several other smaller spouts slammed against the beaches near the lagoon, about 10 miles west of Pensacola.

Damage estimates ran from \$80,000 to \$150,000. At least a dozen boats were destroyed and several fishing shacks were blown in.

Two On Probation For Embezzling Funds From Banks

GRAND RAPIDS (AP) — Two former bank employees were on probation today following appearances in U. S. District Court on their earlier pleas of guilty in separate embezzlement cases.

Judge Raymond W. Starr ordered probation for two years for Mrs. Kathryn A. Adams Fletcher, 18, of Kalamazoo. A former teller at the Kalamazoo Savings & Loan Association, she had admitted embezzling \$100 last Jan. 28.

Herbert S. Cole, 20, of Benton Harbor, who pleaded guilty of embezzling \$1,469 while employed as a collection teller at Farmers & Merchants National Bank between Sept. 1, 1962, and last May 15, was given a 3-year suspended prison term and placed on probation for 3 years. He was ordered to repay in full the embezzled amount as a special probation condition.

Political Benefits Slim At Annual Governors' Rally

MIAMI BEACH, Fla. (AP) — Scarred Democrats and Republicans emerged today from the cauldron of the 55th annual Governors' Conference with few political benefits to harvest.

Gov. Nelson A. Rockefeller of New York, who once was considered the leading candidate for the 1964 GOP presidential nomination, picked up most of the publicity on the civil rights issue that seems to offer him his best opportunity to return to the front.

But Sen. Barry Goldwater, R-Ariz., who was represented by supporters, nevertheless didn't lose any ground among GOP state executives who believe he is the man to beat.

GOP Gov. George Romney of Michigan, counted as a possible entry in the Republican presidential contest, chalked out a position as a strong civil rights ad-

vocate but as an angry critic of more federal direction of the nation's economic ills.

Republican Gov. James A. Rhodes of Ohio, who fended off questions about the possibility of a favorite-son candidacy, glowed over the selection of Cleveland for the 1964 conference.

To Republican Gov. John Anderson Jr. of Kansas came the honor of the conference chairmanship after only two years in office.

He succeeds Democratic Gov. Albert D. Rosellini of Washington. The chairmanship rotates between the parties in alternate years.

The Republicans had to be declared the publicity winners. But the Democrats kept their lines intact for a pitch for Southern state support of Kennedy's certain bid for re-election next year.

TODAY'S CHUCKLE
The way we've been extending in concessions to Russia year after year in hopes of a little mellowing—we might call our program the Hopin' Door Policy.

Using ZIP Code Will Speed Mail

The ZIP code now in effect will speed sorting and distribution of mail — but the code numbers must be used to be of any value, says Escanaba Postmaster James Pryal.

Postal employees will sort mail by code numerals faster than by memorizing routings and schedules, he explained.

Large mailers will pre-sort their own mail to reduce handling in the post office. ZIP code is designed to speed mail deliveries by cutting down on the steps required to move a letter from sender to addressee.

The address on mail deposited by the average individual mailer must often be read by as many as eight or 10 postal employees to get it to the proper one of the tens of millions of homes and offices.

Speed Mail Handling

In less populated areas, the first three digits of the code identify the mail to local points of air, highway and rail transportation, and the last two digits identify the "associated" post office close to the local points or delivery station.

The code in the future will lend itself to sorting by electronic equipment now in the experimental stage.

The ZIP code number is to be used thus:

Mr. J. G. Zipp
Escanaba, Mich. 49829

The ZIP code number should be used as part of the return address on all mail, so that persons replying will be informed of the

code number and use it also.

Voelker Will Be Guest On Today Show In August

John D. Voelker, Michigan jurist and author of the best selling novel "Anatomy of a Murder," will be a featured guest on the Today network television show when it visits Northern Michigan early in August.

A former member of the Michigan Supreme Court (1957-59), Voelker lives in Ishpeming and wrote "Anatomy" with an Upper Peninsula setting. The book was later made into a hit motion picture starring James Stewart as the Michigan lawyer who conducted a unique defense in a highly sensational murder trial.

Voelker's appearance on Today was announced by the program's associate producer Frank Donighi upon his arrival at Mackinac Island. Donighi was accompanied by the first of several groups of NBC-TV personnel from New York that will produce five two-hour news and variety shows from various locations in the northern part of the state including the Interlochen Summer Music Camp, Wilderness State Park, Mackinac Island and the Sault Ste. Marie locks.

Romney Attacked In Union Talks

For the first time in 14 years Michigan's legislative and executive branches have fallen into the hands of the special interests, a state AFL-CIO representative charged at a meeting of Escanaba area trade unionists Tuesday night.

Robert Dingwell, staff representative for the Michigan AFL-CIO, interpreted the election of a Republican governor last fall as paving the way for the Republican Legislature to pass bills without fear that they would be vetoed by a Democratic governor.

He charged that thousands of workers will be denied unemployment compensation benefits as a result of the Republican Legislature passing Gov. Romney's Ford-Canton revision bill and that the measure took benefits away from unemployed workers and gave a tax bonanza to the state's largest corporations.

Dingwell also accused Romney of not living up to his campaign promises in such areas as aid to schools, tax relief for retirees, minimum wage, and the creation of 100,000 new jobs in the state. Dingwell said that average wage earners and consumers would be hit hardest in the tax package the Republicans are readying for the fall session of the Legislature.

He fears the people of Michigan could end up with a state income tax as well as local income and other taxes, without getting any relief from the present burden of consumer taxes. Dingwell said the only real source of untapped tax revenue is the excess profits being piled up by General Motors, Ford and other industrial giants in the state. A tax on these excess profits would bring in enough revenue

to meet the needs of our schools, he declared.

"Don't expect Gov. Romney to propose such a tax," Dingwell said. "Romney won't bite the hands that feed him. He'll put more of a tax burden on the shoulders of the average wage earner."

The meeting here is part of a two-week swing through the Upper Peninsula being made by Dingwell and other AFL-CIO representatives.

Catherine Erickson, who will be a freshman at Adrian College, has been awarded a National Methodist Scholarship by the Board of Education of the Methodist Church. Catherine is the daughter of Mr. and Mrs. Ralph Erickson, Mounted Route 538, Escanaba.

National Methodist Scholarship Awards cover tuition and fees up to \$500 and are granted on the basis of superior academic standing, leadership ability, active churchmanship, character, personality need. About 500 such awards are given annually and more than 9,000 have been granted since 1945. Funds are received from local Methodist churches in a church-wide offering on Methodist Student Day, the second Sunday in June.

Optometrists Attend Meet

Dr. and Mrs. M. H. Garrard Jr. of Escanaba and Dr. and Mrs. D. A. Jondrow of Gladstone recently attended the national convention of the American Optometric Association in Minneapolis.

Over 1,300 optometrists from the United States, New Zealand, South Africa, South America and Mexico attended.

Numerous educational courses were offered in practice management, contact lens, visual training, dynamic maturity for the aging, children's vision, health care plans, military optometry, glaucoma detection and diseases of the eye.

Drs. Garrard and Jondrow also attended a luncheon meeting of Beta Sigma Kappa, national honorary optometric fraternity. Their wives attended auxiliary programs.

Mead 2d Quarter Earnings Decline

DAYTON — Earnings of Mead Corp. for the second quarter ended June 30, amounted to \$4,027,571 equal, after preferred dividends, to 71c per share. Included is a non-recurring profit of 10c per share resulting from the sale of certain assets of an affiliated company.

This compares with \$4,452,989 for the second quarter ended July 1, 1962, equal to 80c on common shares.

Net sales for the second quarter were \$113 million. For the corresponding period in 1962 net sales were \$111 million.

For the first half ended earnings amounted to \$7 million equal to \$1.28 per share, compared with \$8 million in the same period a year ago, equal to \$1.49 per share.

Net sales for the first half amounted to \$223 million compared with \$220 million in 1962.

Directors declared a quarterly dividend of 42½c per share on the common shares and the regular quarterly dividend of \$1.06¼ per share on the 4¼% cumulative preferred shares.

Space Science Bus Open To Public

MARQUETTE — A traveling space science demonstration unit, the Spacemobile, will be on display at Northern Michigan University Monday, July 29.

The public is invited to view the specially designed bus which carries equipment for space science experiments in Kaye Auditorium between 10 a.m. and 2 p.m.

Sponsored by the National Aeronautics and Space Administration, the Spacemobile includes models of launch vehicles, satellites and space probes, electronic equipment and other special devices for demonstrating aspects of space science and exploration.

Smallmouth Bass Beginning To Hit

Trout fishing is expected to improve as the streams clear after the recent heavy rains. Brooks continued to be taken on the Escanaba River west of Rock with most found in deep holes and at the mouths of cool creeks and springs.

The favorite spots are the "swimming hole" at the forest campground and the mouth of the

Little West. Spring holes of the AuTrain basin are still producing as are the Dexter, Johnson, Scott and the East and West Branches of the Whitefish.

Smallmouth bass are beginning to hit in the Nahma area and continued success is reported off St. Vitalis Island in the Ogontz Bay, off Stonington, West Wilsey Bay, the AuTrain Basin and the Escanaba area in Delta County.

Northern have been hitting well in the Escanaba Yacht Harbor area with some good-sized ones being taken. Some success also had off Masonville, north Gladstone and Goose Lake. Little Lake still producing fair catches of walleye with fair to good success on AuTrain Lake.

Perch fishing with minnows and worms has been excellent in the bay waters off Escanaba, off Squaw Point Light, south of Garth Point, along the west shore of the Stonington Peninsula and off Masonville. Fish are running large and biting freely at most hours. Some also being taken from Goose Lake, Little Lake and the area of South River Bay below Garden, Chicago and Lyman Lakes producing bluegills in the deep water.

Bay de Noc Chorus, of the Escanaba Chapter, SPEBSQSA meets tonight at 8 in the music room of Gladstone High School. Refreshments are planned after the rehearsal and all members are urged to attend this important practice session.

Edwin C. Putman is the new field service officer for the Disabled American Veterans for the Upper Peninsula as William Isola has been transferred to the Detroit office to fill the position of department adjutant.

Clarence Ehlers Jr., 314 S. 18th St., chief of Holy Name Circle 1023 returned recently from the 9th annual state convention of Columbian Squares at Saginaw and will leave Saturday for Flint to attend a state officers meeting on Sunday. Walter Johnson, chief of Holy Name Circle, has been appointed chairman of the Columbian Squares for the Diocese of Marquette. He attended the Saginaw convention.

U.P. Fair Board In Reorganization

The Upper Peninsula State Fair, successfully supervised by a regional Board of Managers since its founding in 1928, has two new members and is considering the prospect that it may be merged with the Michigan Department of Agriculture under the new State Constitution.

The present system provides for appointment of five members of the Fair Board by the Governor. New members named by Gov. Romney are Ralph Fuller, Newberry insurance man, and Erling Arntzen, Escanaba building contractor. They are appointed for terms of five years.

Fuller succeeded Dean Jackson, Ontonagon farmer and businessman, who was chairman and had

been on the board for almost 10 years. His term expired and until the Board holds its annual organization meeting on Aug. 17, Kemp H. Brown, Munising, will serve as acting chairman. Brown is Alger County superintendent of schools. His term expires in 1966.

Carl P. Hansen, dairy farmer of Wallace in Menominee County, has served on the Board since 1955 and has been interested in the promotion of the Fair's agricultural aspect.

Senior member of the Fair Board is R. E. Allingham of Escanaba, long-time secretary of the Trades & Labor Council, who has been on the Board for about 14 years. His third five-year term ends in 1964.

Ray LaPorte, secretary-manager of the U. P. State Fair, replying to Gov. Romney's request for suggestions implementing Fair operations under the new State Constitution, recommended that the Board of Managers system be retained under the functioning of the Department of Agriculture.

"The local board members serve as advisors who maintain contact with the people of the Peninsula, and I believe it wise to keep the Fair as responsive to the wishes of the people as possible," said LaPorte.

The Senior Citizens Group of the Escanaba Chamber of Commerce, John J. Bartella, chairman, has agreed to aid the membership committee of the Chamber in contacting membership prospects.

Membership Co-chairman Arch Freeman distributed prospect cards to the group at its meeting this week.

Charles Reagan, a new member, was introduced.

Scouters Attend Camp Inspection At Red Buck

Boy Scout leaders from 14 Upper Peninsula towns in the Hiawathaland Council attended the first all day orientation, executive board meeting, camp inspection and committee meeting session at Camp Red Buck Saturday. Scouters from the Red Buck District were Clarence Zerbel, Robert Baron, Jerry Parr, and John O'Brien, all from Escanaba, and H. J. Skogquist and Oscar Ohman, from Gladstone and Bernard Dusek from Manistique. Other communities represented were Neegaunee, Ishpeming, Marquette, Sault Ste. Marie, K. I. Sawyer, Iron Mountain, Baraga, L'Anse St. Ignace, Niagara and Houghton.

The all morning inspection was directed by Herman Brandmiller, Chicago, and rated the camp a 92-B for one of the highest ratings reported by Brandmiller. The revised "100 Part" questions used in the rating requires 66 specific items and a total of 90 points of the 100 for an "A" rating.

Major needs for the camp as pointed out by Brandmiller are a long-range development plan, a written planned maintenance program, drinking water facilities in troop sites and much small equipment for troop and patrol site development. The camp achieved 62 of the required 66 major points. Camping committee Chairman Jack Ohlson and his committee have begun work to meet the required items.

Final item on the agenda was an interview by the executive committee with a prospective district scout executive to replace Terry Tibor, who has accepted a similar position in Santa Barbara, Calif.

The next meeting will be in Marquette Sept. 19.

Italy Still Has Flame Of Fascism

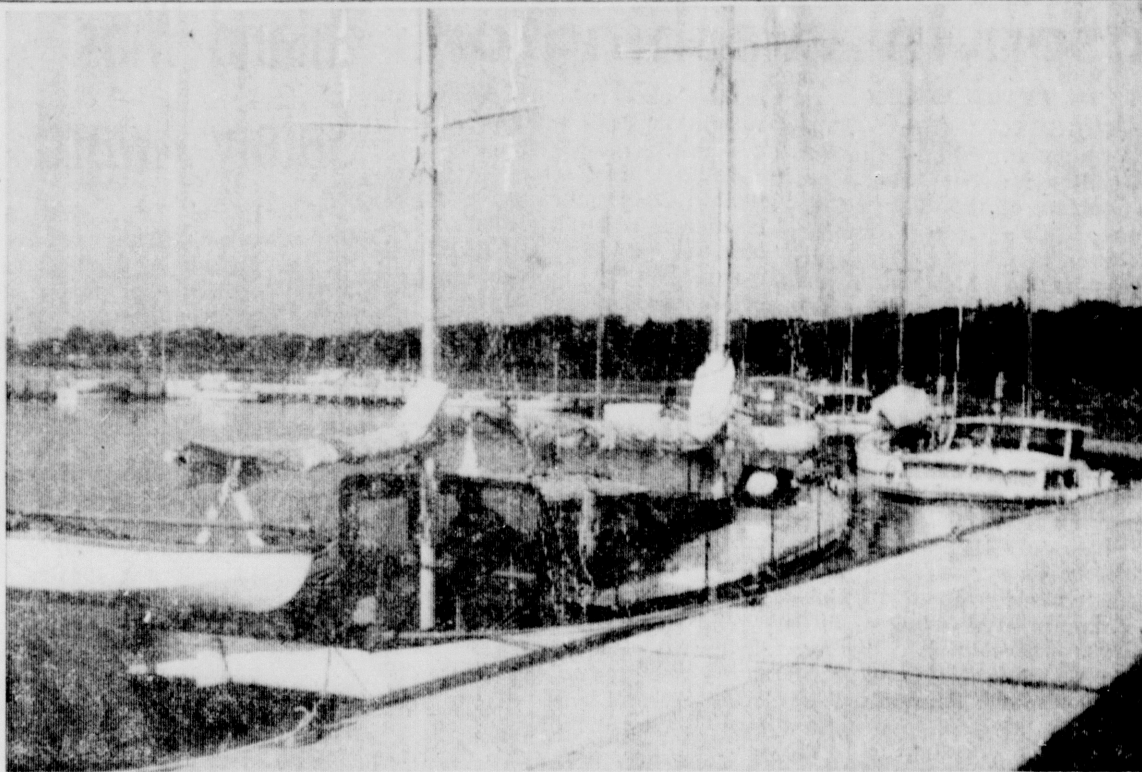

By EUGENE LEVIN
ROME (AP)—"I want to make a mark on history with my will, like a lion with his claws."
The words were Benito Mussolini's.
He made his mark. History recalls that he made Italy's trains run on time. History records that he made war a national policy, and history notes that 20 years ago today Benito Mussolini came to the beginning of the end.
That was the day King Victor Emmanuel III put Mussolini under arrest. The shock of Allied landings in Sicily 16 days earlier had been too great for tottering Italy. Its Fascist leadership split. The military stepped in. Field Marshal Pietro Badoglio replaced Mussolini as premier.
German forces freed Mussolini and helped him set up a Fascist republic in northern Italy. The end came on April 28, 1945, when the tommy guns of Italian partisans riddled Mussolini and his mistress, Claretta Petacci.
Fascism's flame still burns in Italy. A million and a half Italians voted the Fascist ticket in national elections last April. Thousands of young Fascists still thrill to a street fight with Communists—as their black shirt fathers did 40 years ago.
But the Fascist vote represented only 5 per cent of the electorate, and there is no apparent heir to Mussolini, creator of fascism whose doctrine inspired Adolf Hitler.
Mussolini came to power in 1922, just before his 40th birthday. Thousands of his followers marched on Rome and forced the king to turn over the government to Mussolini.
Mussolini, once a Socialist himself, said Italy needed a strong and vigorous leader. He took the title Il Duce—the leader.
He replaced Italian parliamentary institutions with what he called a corporate state—an economy of privately owned industry directed by the state through "corporations" of business, labor and government representatives.
In 1936 Mussolini led Italy against Ethiopia. Then came the "stab in the back" against France and World War II.
Mussolini had become Adolf Hitler's partner. It was soon clear Hitler was the dominant partner.
No attempt is made in the average history book to explain the Fascist era, or to justify it. The accounts are straight, and somewhat thin.
There is an Italian saying: "What has been has been."
Rudyard-Kinross Freeway Opened
SAULT STE. MARIE (AP) — A four-mile stretch of the Interstate 75 freeway between Rudyard and Kinross, in the Upper Peninsula, opened to traffic Tuesday.
The \$1.5 million section is connected to a six-mile section opened to traffic last year, and brings to 22 miles the extent of I-75 now in use between Sault Ste. Marie and St. Ignace.
The rest of the Upper Peninsula Freeway, 29 miles long, will be opened later this year.

Airport Planned For Kent County

LANSING (AP) — A revenue bond issue totaling \$620,000 for financing construction at Kent County Airport has been approved by the State Municipal Finance Commission.
Other issuings authorized as the commission approved \$1.8 million in bonds and notes included:
City of Owosso, \$290,000 for drain construction; Northville Public School District, \$200,000; Sturgis School District, \$165,000 for school construction; Godwin Heights Public Schools, \$100,000 for school construction.

Road Slaughter Raises Insurance

By F. GRANGER WEIL
Editor
The Port Huron Times Herald
PORT HURON (AP)—Traffic fatalities were up 16 per cent (767 died) in the first six months of this year. There were 23 per cent more injuries (at this rate there will be 130,000 hurt this year!); the accident increase was 12 per cent.

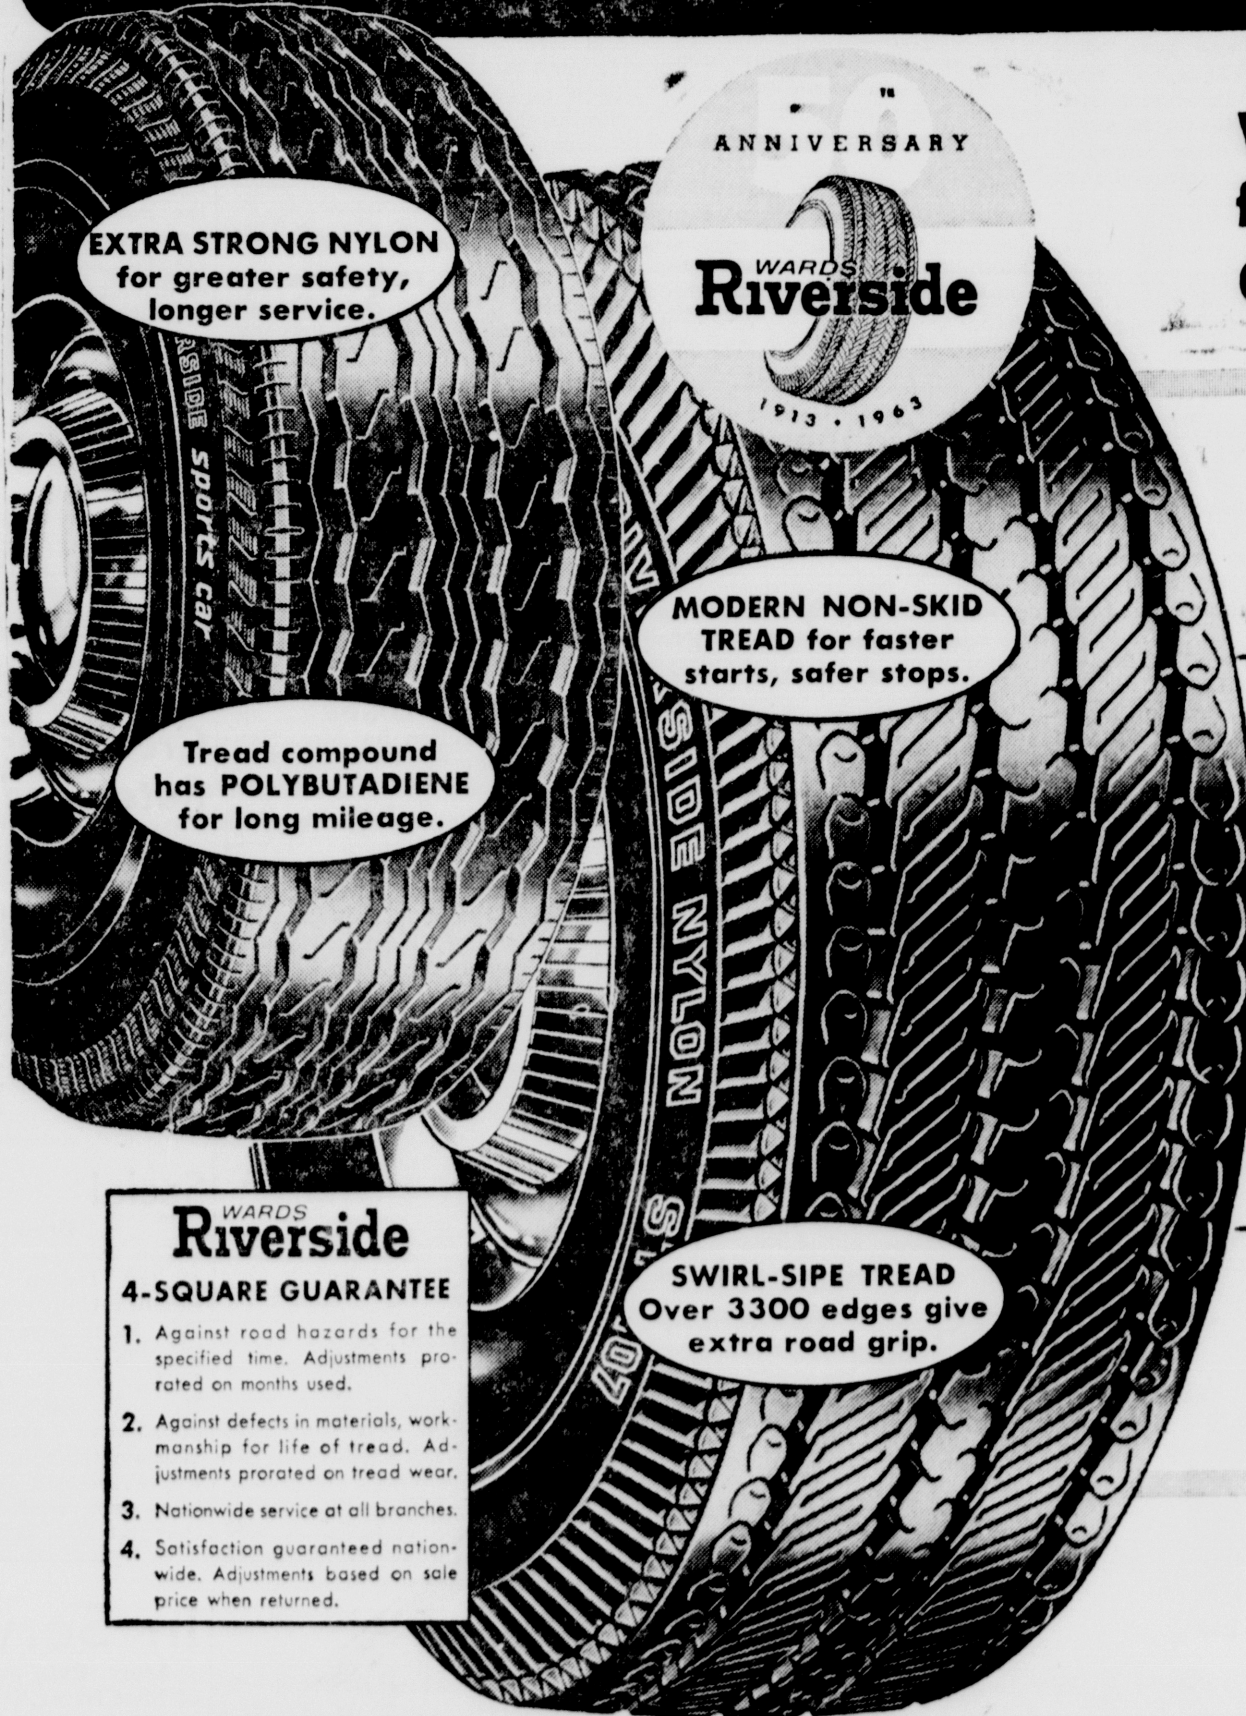

It's impossible to translate these cold statistics into blood and tears.
The increase in hard dollar costs to you and me and the state in general will be computed—and added to our insurance rates.
The urgency of the situation was startlingly focused for us by the long Fourth of July toll when 32 persons were killed, one of the worst records in the nation.
When some 130,000 Michigan citizens a year are scarred, crippled, blinded and otherwise mangled—and another 2,000 killed outright—it would seem that the time for action is long overdue.
The safety experts have told us that by certain changes in our laws and by bringing our police patrol to strength, we can make a deep cut in the figures.
Every 24 hours we delay means another crop of unnecessary death and accident statistics.
Why wait until the political climate is right or the state treasury is bulging with surplus dollars?
There is no politics in death.
And, there will never be enough dollars.
The state can actually save money for itself and its people by having adequate statutes covering the operation of automobiles!
What we need is a special session of the legislature to give us the laws to protect us and our families and friends.
It's as simple as that.

Delta's Jail Problem

A jail construction project can never win any popularity prizes because most citizens regard jails as regrettable necessities and wish they could dispense with them. When they have a choice of voting yes or no on construction of a new jail they're mightily tempted to vote no.

Delta County voters are facing up to an election soon on a proposal to levy a 2 mill tax for one year to build a new jail. The 2 mill levy on the county's \$77 million tax valuation would bring in \$165,000, which would substantially finance the county's \$177,000 half of a \$350,000 jail construction project.

The new jail would be constructed on a site at the rear of the new county building on Ludington St. as an Accelerated Public Works project. The APW program survey showed 5 jail projects in the Upper Peninsula. Gogebic County plans a new jail, Alger County took bids on one Wednesday and Houghton County has construction of a new jail underway.

Jail building is an activity which a county undertakes very reluctantly because of the press for new schools and other facilities which the public regards as much more productive expenditures of public funds, but Delta County appears to have Hobson's choice on the issue.

The state jail inspector is in the process of condemning the Delta Jail, says Prosecutor Nicholas P. Chapekis and is in communication with Circuit Judge Bernard Davidson on the legal process involved. The Delta County Board of Supervisors has been on notice for some time that it's jail does not meet state standards of safety and security and must be replaced. A board committee has engaged G. Arntzen Architect & Co. to prepare plans for a new jail and the plans are ready for state approval.

The site has been obtained and needs only some legal processing, and final need is county provision of half the project funds. If the county puts up the \$177,000, APW will put up the other half, Senator Pat McNamara has indicated to county officials.

Alger County voted its jail funds quickly when APW put up half the money for a \$166,000, 13-prisoner jail. Delta would have to assure its \$177,000 within 30 days to get the sought-after APW grant of \$177,000 and would have to start construction within 120 days and have a substantial part of construction completed within a year.

The proposed Delta jail would be a one story brick structure matching the new county building in appearance. It would have a basement under part of it and would provide a sheriff's residence, cell blocks and quarters for a civil defense control installation.

The present Delta jail has a potential capacity of 37 prisoners, but its layout and administration limits it under some conditions of isolation of disturbed mental patients to as few as 16. The state requested a 50 prisoner jail for Delta but Sheriff Cully Johnson, Prosecutor Chapekis and county supervisors obtained a reduction of this capacity to 40.

Prosecutor Chapekis regards the one year tax as the best means of financing a jail. It could be constructed without a public election by the Delta County Building Authority which put up the county building, but the public would have to pay for it in either event.

The present jail is 81 years old and two of its walls are bulging, its utilities are reported obsolete and its general condition beyond feasible rehabilitation. If it is closed by the state, Delta would have to board its prisoners at a jail in a neighboring county. Menominee and Schoolcraft have asked \$5 a day for men prisoners and \$8 for women and Sheriff Johnson said he'd need two extra officers and a car to transport prisoners back and forth between local courts and a distant jail.

A new jail was a part of the county's original plan for the new county building. It was deleted in yielding to taxpayer pressures for economy.

Edson In Washington

By PETER EDSON

WASHINGTON (NEA)—There are a couple of new twists in Russian policy toward China. Careful analysis of the Soviet Communist Party's Central Committee reply to Chinese Communist negotiators in Moscow reveals them. But there is no detectable change in the basic policies of the international Communist conspiracy.

Conciliatory language which marked previous Russian replies to the Chinese Communists is not found in the 20,000-word Central Committee letter which appeared in Pravda July 15.

Moscow now is making unrestrained attacks on the Peking government. The expectation is that this will continue.

The Kremlin also is expected to begin purging Communist leaders who in the past have argued for caution in dealing with the Chinese to promote unity.

The Soviet Central Committee says it will wage "unrelenting struggle against deviationists."

THIS IS NOT taken to mean there will be actual war between Russia and Red China. The conflict will be waged on ideological levels.

In the future it will become increasingly difficult for the Com-

munist party of any country to remain neutral between Moscow and Peking points of view.

Splits within some of the national Communist parties thus become a possibility. This would dim the prospect in the immediate future for another Congress of Communist parties from all over the world to resolve their differences.

The effects of a further split between Russia and Red China on relations with the West and with the United States in particular can only be speculated upon. President Kennedy has just laid down the line that the U. S. should not talk about something over which it has no control.

The new Central Committee statement seems to make conciliatory gestures to the West. This could be motivated only to refute Red China policy.

"We sincerely want disarmament—it is not an expedient," says the Central Committee. Then the policy is qualified by the statement that the Soviet Union will continue to use organized agitation and propaganda to whittle down western demands.

IN ANOTHER PLACE the Central Committee statement declares that the Soviet Union will not be the first to use nuclear weapons. This is a change from recent Soviet policy, even though the United States has previously proposed a ban on nuclear weapons except in defense of aggression.

The Central Committee does not say, however, that the Soviet will not use nuclear weapons against a conventional weapons attack and will not use them in a local war which becomes escalated into a major war.

On Cuba, the Central Committee declares that, "If the U. S. imperialists invade Cuba, we shall come to the assistance of the Cuban people."

Chairman Nikita Khrushchev again is quoted as having expressed the party line with the statement, "There will be liberation wars as long as imperialism exists, so long as colonialism exists. Therefore it is now only through struggle, including armed struggle, that the peoples can win freedom."

The Central Committee statement then boasts that the Soviet Union is now giving the broadest support to the nationalist liberation movements in Vietnam, Egypt, Iraq, Algeria, Yemen and Cuba.

This is obviously inserted to overcome Peking's charges against Moscow's softness. It restates past Communist policy which Red China endorsed less than three years ago. So basically, nothing is changed.

Fruit Cannery Executive Beaten

BENTON HARBOR (AP)—

Michigan fruit cannery here have offered a \$5,000 reward for information leading to the arrest and conviction of the person responsible for injuring a company executive.

Walter J. Bauer, 48, production manager and labor relations director, was hospitalized July 15 for 3 days after he was found dazed and bleeding on a city street near his hotel with unexplained head injuries.

Bauer represents management in negotiations with Teamsters Union Local 7 which is picketing the plant in a strike which started April 24 over demands for a new contract. Nonunion employees continue to report daily for work.

Inland Wins Safety Award

The Inland Lime and Stone Co. announces it has just received the Joseph A. Holmes safety award, certificate of honor. It is given in recognition of Inland's achievement operating a limestone quarry 1,239,996 man hours without a lost-time accident in the period Nov. 4, 1960-Dec. 31, 1962.

This is the sixth such certificate Inland has received since opening the quarry in 1930. Other certificates were received in 1935, 1940, 1952, 1960 and 1961.

The Joseph A. Holmes Safety Assn. was founded in 1916 by 24 leading national organizations representing the mining, metallurgical and allied industries to commemorate the efforts of Dr. Joseph Austin Holmes, first director of the Bureau of Mines to reduce accidents and ill health in mining and allied industries and to promote doctrines of safety and conservation of life in these industries.

Briefly Told

Mrs. Roy Jones, East U.S. 2 was taken by ambulance to Schoolcraft Memorial Hospital at 7 a.m. Wednesday.

Jerry Lee Cournaya, 21, of River Road was treated by a Manistique physician for a slight flesh wound of the upper right arm, sustained when he fell while walking with a 22 rifle, about 2:10 a.m., July 23, State Police report.

A cabin of Roy Cole in Germfask township was entered by someone who pried the shutter and broke the glass. Taken were a compass, 22 shells and a BB gun. The gun was recovered from a 15-year-old boy seen walking along the road with it. He denied taking the compass and shells.

New Names In The News

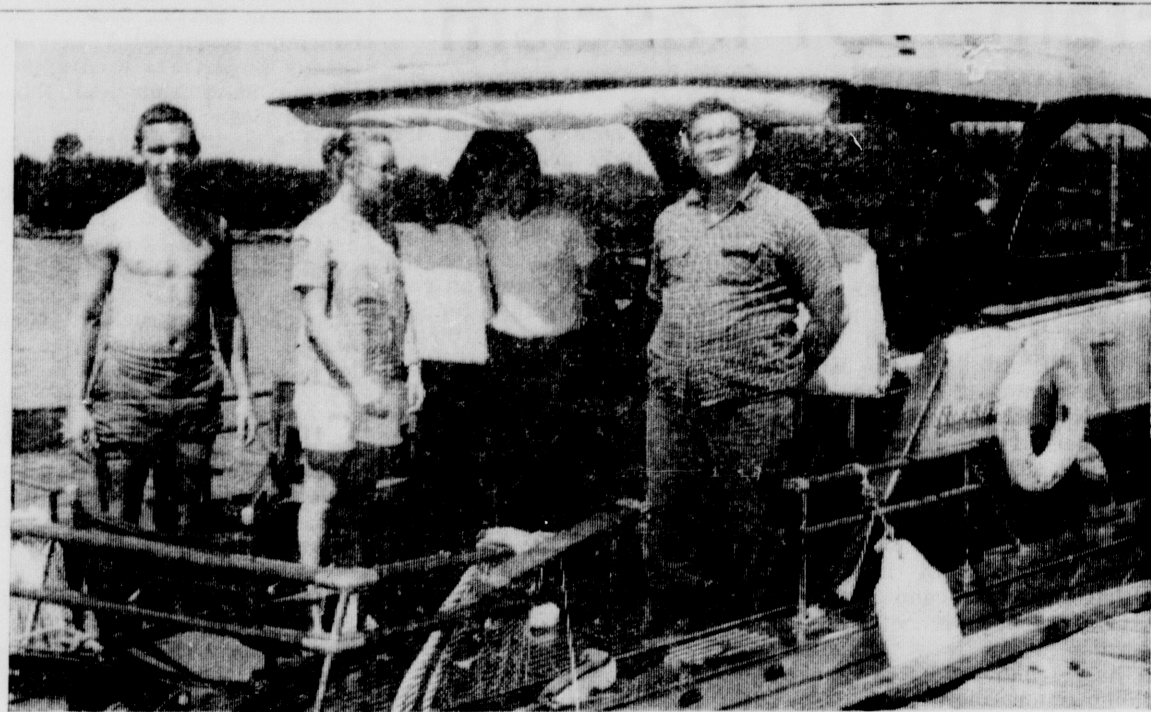

A daughter, weighing 6 lbs. 6 oz. was born July 23 in Schoolcraft Memorial Hospital to Mr. and Mrs. Jack Vantassel, 109 E. Truman Ave., Newberry. She has been named Rochell Lynn. Mrs. Vantassel is the former Imogene Schroeder.

Obituary

THOMAS TRUCKEY
Funeral services for Thomas Truckey, former Garden resident, who died in Lansing July 19, were held at 10 a.m. Wednesday at St. John the Baptist Church in Garden. The Rev. Matthew LaViolette, pastor of All Saints Church in Gladstone, officiated. Pallbearers were Hubert Plante, Alfred LaVallee, James Dotsch, Ronald Beaudreau, Clifford Gauthier and Robert Lester. Burial was in Old Garden cemetery under the direction of Messier-Broulliere Funeral Home.

MRS. LaLONDE
Funeral services for Mrs. Napoleon (Zepherine) LaLonde, 92, of Detroit who died July 19 were held Wednesday, July 24, from St. Francis de Sales Church with the Rev. Terrence Donnelly officiating. Pallbearers were Fred Hinkson, Joseph Carefelle, Edward Grondine, Henry DeSautel, Bill LaFreniere and John Lehman. Burial was in Lakeview cemetery under the direction of Messier-Broulliere Funeral Home.

MANISTIQUE

Dr. C. C. Heinmiller, his wife and their three children, Paul, in swim trunks and Joan and Glen are pictured aboard the Pine Key, their 35-foot cruiser on which they are making a vacation trip around Lakes Michigan and Superior. They put in at Manistique Friday night just ahead of the electrical storm and reported they were in from the Garden Peninsula. They had some difficulty picking up radio signals in the storm and said they just cleared the reef light off Point Aux Barques. (Daily Press Photo)

Mrs. Romney Will Aid Fund-Raising

Mrs. George Romney, wife of Michigan's governor, who made a striking appeal to Manistique area residents on a visit a year ago is returning to Manistique July 31 for a 7 p. m. fund-raising dinner in Liberty Cafe.

Mrs. Romney, the former Lenore LaFont of Logan, Utah, is the mother of four children. Her father, a real estate developer was appointed a commissioner on the first federal radio commission, forerunner of the FCC, in 1928.

She attended Latter Day Saints High School in Salt Lake City, George Washington University in Washington, D. C. and the American Laboratory School of the Theatre in New York City.

A ticket sale is being conducted for the event. They are \$10 per couple and \$6 per person. All interested persons, including visitors in the area are invited to meet with Michigan's first lady.

The dinner is the first fund-raising event of its type here. As the Republican committee treasury consists of \$24, this is an important event, Charles Varnum, chairman reports. The money will stay in Schoolcraft County.

The night is one of few Mrs. Romney would have had at home with her husband but she is relinquishing it to come to Manistique to assist, Varnum states. The money is needed for an adequate campaign, he points out.

Efforts are being made to contact as many as possible. Anyone missed, who is interested is asked to call 341-5264. Residents of other counties are also being invited.

Credit Insurance Rates Reduced

LANSING (AP)—A reduced maximum on credit insurance rates in Michigan will go into effect Sept. 1, State Insurance Commissioner Sherwood Colburn said Wednesday.

The Insurance Department's ruling, following a series of hearings, reduces from 75 cents to 60 cents the maximum premium charge per \$100 of insurance per year.

Social

Bridge Play
The Tuesday Bridge Club met at the Indian Lake Golf and Country Club with hostesses, Mrs. Don Donaldson and Mrs. H. G. Hansen. Guests were Mrs. Harold Neeves of Cincinnati and Mrs. Henry Neville of St. Paul. Bridge prizes were awarded Mesdames, William Guinan, Harold Klagstad, Ray Prime and Wesley Orr. Hostesses next week are Mrs. Wesley Orr and Mrs. William Kefauver.

In Service

Army Pvt. Joel Roussin, son of Mrs. Hazel Bolithe, 628 Manistique Ave., is stationed in Nha Trang, South Vietnam. He is in charge of signal corps supplies in the Army communications center. His address is Pvt. Joe Roussin, RA14795680, 362 Sig Co. (TRO-PO), APO 40, San Francisco, Calif.

Hospital

Admitted to Schoolcraft Memorial Hospital were Brian Fountain, 721 Manistique Ave., Mary Hill, Cooks, Lillian Stites, Gulliver, William Cowman, 615 Michigan Ave., Donald Hoholik, 226 Deer St. Discharged were Robert Smith, Hilda Zellar, Helen Lancour, Joan Wilson, Richard Hughson and Charles Wischman.

Millions of eels swim along the Gulf Stream from their birthplace southwest of Bermuda to North America and Europe.

Inland Earnings 2nd Best Ever

Inland Steel today reported second quarter earnings of \$18,800,744 or \$1.05 a share, second best in the company's history, and a first half net of \$31,336,521 or \$1.75 a share, a figure exceeded in only two previous years.

Three months earnings were 66 per cent above those of the 1962 second quarter and the half year net was 21 per cent above the \$25,840,441 or \$1.45 a share on an adjusted basis for the first half of 1962. Earnings for the current six months represented at 7.3 per cent return on sales compared with 6.3 per cent last year.

The company's record second quarter and first half were in 1959.

Steel mill operations were at near capacity levels throughout the second quarter. Production set new all-time records for any quarter or block year.

Joseph L. Block, chairman, said that liquidation of excess steel inventories by customers is expected over the next several months. As a result, he said, third quarter operations will be below the level of the second quarter when substantial inventory building by steel consumers prior to the settlement of a new labor contract accounted for a high rate of production.

He said, however, "We anticipate some strengthening in demand later in the year and believe that 1963 as a whole will show improvement as compared with 1962."

Bed Fire Fatal

MACKINAW CITY (AP)—Russell LeDuc, 23, died here Wednesday in a fire apparently started by a cigarette which ignited blankets on his bed. Cheboygan County Coroner Harold Ireland ruled death was caused by asphyxiation.

The Doctor Says:

Ticks Win Top Honors

By Dr. Wayne G. Brandstadt, M.D.

Bees, wasps and hornets are not the only insects that may cause trouble this summer, although they are the commonest causes of severe discomfort.

The next most dangerous is the wood tick which is not truly an insect. Insects have six legs and ticks and other arthropods have eight. Ticks are common in grassy and wooded areas. They drop from low bushes or grass stalks onto animals or persons and spend several hours crawling around looking for a relatively undisturbed place in which to feed.

Before they attach themselves to the skin they can be readily brushed off. They feed by burrowing the length of their head into the skin then sucking your blood.

This would do you no harm were it not for the fact that they carry the germs of Rocky Mountain spotted fever in their saliva and will pass it on to you without a qualm. Once they are firmly attached to the skin they cannot be brushed off but the quicker they are removed the better.

If not removed they have been known to remain attached to the skin for over a week. They can be removed by touching them with the end of a match that has been struck and then blown out, or by coating them completely with finger nail lacquer or a thick oil then gently pulling them out with tweezers.

Do not use your fingers to pull them out or crush them because in this way you may get infectious matter on you. Once removed, the tick should be dropped into a fire or into kerosene, alcohol, or turpentine. If in removing them the head remains buried in your skin as sometimes happens, it must be dug out. This is a painful process at best.

When the tick has been removed, whether whole or piecemeal, the wound should be painted with tincture of iodine and the hands should be thoroughly

washed with soap and water.

When you go into a tick-infested area wear protective clothing with elastic at the openings. High boots provide a further protection. The clothing should be sprayed with a tick repellent such as diethyltoluamide (Deet). The body and clothing should be inspected daily or better still twice a day for ticks. This type of clothing also protects against chiggers.

Q—What is thyrotoxicosis?

A—It is a condition in which the thyroid puts out too much thyroxine, the substance the thyroid normally secretes into the blood. This may cause a type of goiter or enlargement of the thyroid known as toxic goiter.

Q—What can be done to relieve twitching of the eyelids?

A—This common complaint is almost always due to fatigue. Get more rest at night regularly and the twitching should stop after a few days. That doesn't mean that it won't return if you get overtired again.

BARBS

By HAL COCHRAN

Church-going is a fine habit, one which you should adopt, for goodness sake.

An Oklahoma man was operated on to remove a dress shirt collar button which he swallowed. At least he knew where it was.

Every auctioneer likes to see a face that is forbidding.

"Better do this," "Better do that" — maybe that's where the expression "better half" came from.

"No, No, I Said FORWARD!"

Rapid River To Kipling Freeway By '66 Proposed

Resumption of planning for extension of the Gladstone freeway to Rapid River is announced by State Highway Commissioner John C. Mackie, who says bids will be taken early in 1966 for construction of 6 miles at a cost of about \$3.3 million.

"The section of freeway to be built between Gladstone and Rapid River is the first step in the eventual construction of a freeway across the Upper Peninsula to be built starting in 1966," said Mackie.

"Other sections will be built during the 1970s and it's our hope that the entire route will be built to freeway standards by 1980."

A highway needs study in 1960 showed that a freeway will be needed by 1980 between St. Ignace and the Gladstone-Escanaba area, Mackie said. The Rapid River area in Delta County is one of the most heavily traveled in the Upper Peninsula and a freeway between Rapid River and Escanaba has been needed for years past in opinion of motorists, as it is usually impossible to pass on the Rapid River-Gladstone segment of U. S. 2-41, because of oncoming traffic. The highway has only two lanes for traffic.

A State Highway Department survey of 1959 resulted in plans for a limited access highway through Gladstone and north to Rapid River. For such a relocation project to be eligible for federal highway aid, a public hearing

must be held and opposition to the project developed in the Gladstone - Kipling - Masonville area. The State Highway Department bought approximately 40 per cent of the right-of-way for a relocation of the highway west of its present site before putting the project on the shelf.

The acquisition process, triggered so much opposition from motel owners and other highway business that the State Highway Department built an expressway through Gladstone and suspended plans for the extension to Rapid River. The Gladstone segment is express highway standard, which means that it has limited access and is fenced. It has two two-lane pavements with a median between them.

The 4-lane highway from Gladstone south to Escanaba does not have limited access and so is less qualified to move heavy volumes of traffic.

The 6-mile Gladstone - Rapid River segment relocation now is under complete re-evaluation before preparation of design for a new highway. Conditions and highway policy have changed since the project of 1959 was suspended.

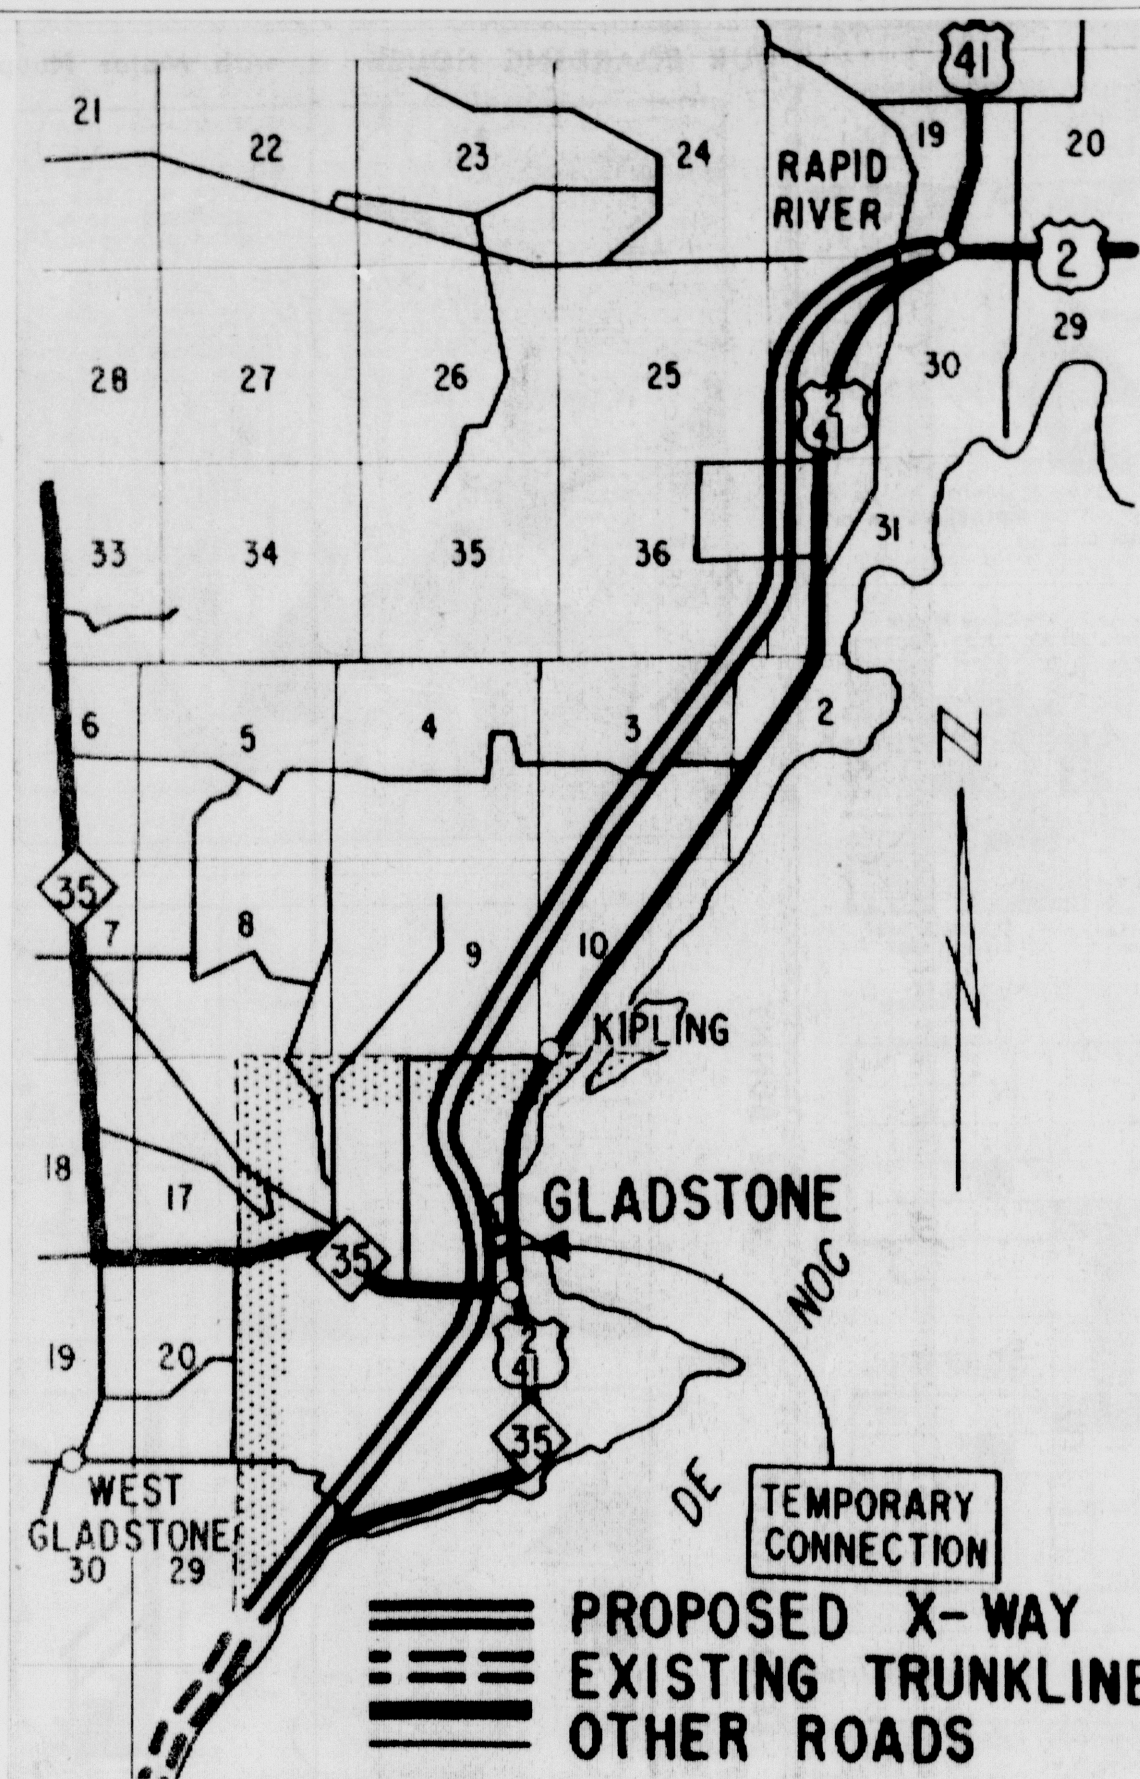

State Highway Department planners in "dream stuff" long range planning have suggested several different treatments for the routing of U. S. 41 and M-35 in the area under study, and have proposed that U. S. 2 might leave its routing along the shore of Little Bay de Noc and be rerouted up onto the Gladstone Bluff. They have also suggested that U. S. 2 might be rerouted directly west from Rapid River to Crystal Falls. These plans have never been rescinded and may figure in the final determination of what happens in the Rapid River-Gladstone sector.

Local officials speculated on the motivation for the Mackie announcement on the east-west U. P. expressway at this time. They noted that Mackie may not head the State Highway Department in 1966 when the first contract is proposed, as the elective office of state highway commissioner is abolished under the new Michigan constitution and a state highway director becomes an appointive officer of a four-member, bipartisan highway commission appointed by the governor with senatorial consent.

The order for the 1966 bidding on the Gladstone-Rapid River project was interpreted by local highway officials as meaning no action on the Delta highway bottleneck for three more years.

Mackie also announced other U. P. projects including:

1. Modernization of 11.4 miles of M 28 from Trout Creek west to a point about three miles east of Even in Ontonagon County.
2. Modernization of 9.3 miles of M 94 from Hiawatha south to Manistique in Schoolcraft County.
3. Modernization of 4.1 miles of M 123 from Trout Lake south-east to the Chippewa-Mackinac County line.

This is the route for relocation of U.S. 2-41 between Rapid River and Gladstone proposed by the State Highway Department in 1959. The Gladstone freeway segment was constructed in 1961-62. The limited access, four-lane, divided highway now connects with the old two-lane highway in North Gladstone. Forty per cent of the right-of-way needed to relocate U.S. 2-41 west of its present site has been acquired by the State Highway Department in the Kipling-Rapid River segment.

U. P. Resources Get Camp Stress

One of the largest groups attending the U. P. 4-H Club Week since participation was limited to older 4-Hers, signed up for the 1963 event which began Monday at Camp Shaw near Chatham. At the first camp assembly Monday evening, 180 campers heard Escanaba Daily Press Editor Jean Worth discuss Peninsula Resources and the U. P. history, as it has been influenced by the various stages of harvesting the resources.

Worth reviewed developments, since the days when industrialists imported people to harvest resources, to the present day use of machines to use what he described as huge resources. The later development, said Worth, is stable and aids the area's economy, but doesn't create as many new jobs as before the days of mechanization.

Worth urged the teenage boys and girls to get a good education. "After such preparation, some of you will decide you will want to make your careers elsewhere," said Worth, but he said that very few would lose their deep ties to the North Country.

Theme of the four-day camp, "Your Land and Mine" is directed towards acquainting area citizens with their own resources and is closely associated with the Upper Michigan Tourist Association's "Pays to Know" program.

Career discussions are being presented by Michigan State University Specialists Abram Snyder and Emil Fimbinger of Marquette, Clare Gunn, Arden Peterson and Dr. Delwyn Dyer of East Lansing, and by State 4-H Program Director Dr. Russell Mawby.

A lecture "A Trip Around the Upper Peninsula" was presented by Art Lauren, superintendent of Wells State Park at Cedar River and Art Slaughter, geologist of the Department of Conservation discussed Northern Michigan's mineral heritage.

The camp staff also included Mr. and Mrs. Jack Little of Chatham, M.S.U. Specialist Richard Hartwig, William St. Onge of the Department of Conservation, Mrs. Kay LaMarche of Escanaba, and County Agents John Campana of Munising, Arvid Norlin, Sault Ste. Marie, Lester Walcott of Stephenson, August Blome of Crystal Falls, Paul Shogren of Marquette and Roger Blomquist of Iron Mountain.

Hines Hospital Builds Unique Medical Wing

Under construction at Hines Veterans Administration Hospital is a ward where revolutionary life-saving equipment, the so-called artificial kidney, can cleanse a patient's blood of poisons that kill.

When man's kidneys cease to function properly, as from Bright's Disease, kidney infection, poly-cystic disease of the kidney, arteriosclerosis of the kidney, and the like, his blood becomes poisoned. Unless it can be rid of its wastes, the patient dies of uremic poisoning.

In cases of chronic kidney malfunction, one or two blood cleansings a week, each lasting as long as 16 hours, may be required. Between treatments the patient lives a normal life.

100 Mile Race At Menominee Is Set Saturday

MENOMINEE — The M & M Yacht Club's 28th annual 100-mile race will start from the Menominee Breakwater Saturday morning with the first sailboats crossing the starting line at 9:10 a.m. The race follows a roughly rectangular course within Green Bay from Menominee to Green Island, north around Horseshoe Island, west around the north end of Chambers Island and back to the starting point at Menominee.

The race took its name from the length of the course but through the years has been shortened to 50 miles. Ordinarily, sailboats now start crossing the finish line in late afternoon of the race day.

Last year, 23 boats crossed the starting line and 17 finished. An even larger registration is expected this year by Hugh C. Higley, vice-commander of sail. Five trophies are awarded in various divisions. The overall winner receives the Alfred A. Henes Memorial Trophy, won last year by the Maria, owned by Joseph Bonness, Milwaukee. Winner in Class A cruising receives the E. P. Smith Trophy, now held by the Rose of Sharon, owned by Charles Stoll of Escanaba. In Class B, the winner receives the Rear Commodore Trophy, won last year by Windbourne, owned by Max Murphy of Green Bay. The Class C cruising winner receives the Commodore Larsen Trophy, now held by Cayo, owned by Wallace Cole, Fish Creek. In the Universal Racing class, the winner is awarded the C. H. Boren Trophy, now held by Arete, owned by Hugh Higley family.

Obituary

MRS. ANNA GESSNER
Funeral services for Mrs. Anna Gessner were held at 9:30 a. m., Wednesday at the Anderson Funeral Home with Rabbi J. W. Vanderwald of Green Bay officiating. Burial was in Montefiore Cemetery in Marinette.

Newberry

Miss Judy Lackey Queen Candidate

NEWBERRY — Miss Judy Lackey, 17, daughter of Mr. and Mrs. Royal Lackey of M-28 will compete as Miss Sportsmen's Club for the title of Miss Tahquamenon in the annual Labor Day celebration here, sponsored by the TOMA.

She is a senior at Newberry High School, weighs 135 pounds and is 5 feet 7 inches tall. Her favorite sports are bowling, softball, swimming and bicycle riding, and her hobbies are leathercraft and sewing. She is a 4-H Service Club member, GAA, CYO and the speech club, and plans to attend college after graduation.

Judy will be presented at a special meeting Aug. 23, to members of the Sportsmen's Club.

National Guard Returns Home

NEWBERRY — Members of the 4th Bridge Platoon, 1437th Engineer Company of Newberry, returned from their annual two-week encampment at Camp Grayling last week.

One of the events of the period was the promotion of Commanding Officer Edward Leask to captain. Citizen-soldiers from Newberry who attended the encampment were: 1st Lt. Ronald J. Costello, Sgt. Maurice P. Masich, Sgt. E-5 Robert A. Carroll, Sgt. E-5 Eldon Whalen, SP-4 James H. Miller, SP-4 George L. Miller, SP-4 Pete Carlson, SP-4 Wayne Dunlap, SP-4 Clinton Betterly, SP-4 James D. Panula, Pfc. Mike Conlon, Pfc. James E. Manville, Pfc. Frank Duflo, Pfc. Lester Webb, Pvt. Norman Wood, Pvt. Dewey Wright, Ret. Edgar Smith, Ret. Jack Scholtus.

Briefly Told

National 4-H Club Week began July 22 at Camp Shaw near Chatham. Attending the camp from Luce County are George Hyde, Jerry Lackey, Linda Quinlan and Connie Hyde.

State Police here received a complaint from Louis Sanders of the Timberline resort on Big Manistique Lake, several miles from Curtis of the loss of a fibre glass utility boat, missing from their property within the past few days. Police are investigating.

The breaking and entering of the E-Con-O-Wash on W. Helen St., was reported Tuesday afternoon. Money estimated at \$25 in half dollars and quarters was taken from wall coin boxes, presumably after midnight Monday.

Charles Severns, 26, pleaded guilty in Justice Court before Frank Whitmarsh on arraignment

Postal Obscenity Fight Is Active

Arrests and convictions for violation of the mail obscenity laws soared to new, record breaking heights in the past year, and were up 100 per cent over 1960, says Postmaster General J. Edward Day.

"If further evidence were needed that the proper avenue to follow in enforcing the mailability laws is criminal action rather than administrative penalties, I believe these statistics should lay the question to rest," said Day.

There were 761 arrests for violation of the mail obscenity laws during fiscal 1963 — an increase of 25.8 per cent over 1962, and a 96 per cent increase over 1960 — the last full year in which administrative procedures were used in an effort to curtail use of the mails to transmit obscene matter. Day ordered abandonment of administrative action and a stepped-up enforcement of the criminal statutes within weeks after assuming office.

Evart Sundstrom Dies In Illinois; Funeral Friday

Evart Sundstrom, 40, died Tuesday in Marseilles, Ill., where he had resided for the past six years. He was a former resident of Escanaba.

Mr. Sundstrom was born Jan. 10, 1923 in Escanaba and served with the U. S. Army for 11 years. He was a veteran of World War II.

Survivors include one brother, Arthur, Allan Park, Mich., and one sister, Mrs. Eldred Sattm, Escanaba.

Friends may call at the Anderson Funeral Home from 9 a. m., Friday until the service at 10:30 a. m., with Rev. Gordon Thorpe of Immanuel Lutheran Church officiating. Burial will be in Lakeview Cemetery.

Tuesday to the larceny of a coyote from the trap of Frank Generous. Severns paid a \$10 fine, and \$5 court costs. Two juveniles who were arrested with him, have been turned over to the Probate Court.

Obituary

MRS. EMIL (MARIA) HONKA
Funeral services for Mrs. Emil (Maria) Honka who passed away Sunday, were conducted at 2 p.m. Wednesday from the Beaulieu Funeral Home, with the Rev. Fred Kolbe, pastor of the First Presbyterian Church, officiating. Interment took place in Forest Home Cemetery here. Pallbearers were Bruno Maki, Viljo Maki, Esko Ketola, John Ekinlanto, Walter Arndt and Andrew Anderson.

Ishpeming Teacher New MEA Leader

Octavius Townsend, 65, Ishpeming High School physics and geometry teacher has taken over as president of the 65,000-member Michigan Education Association.

"Progress in this age demands that our educational system be more effective in its end results," Townsend said. "Much time and great effort is being given toward these goals by the Michigan and National Education Associations."

Townsend has been active in both MEA and NEA work. He was an MEA director in 1956-63, president of the MEA Department of Classroom Teachers in 1953-54, and a DCT director in 1951-55.

The annual Teachers' Day at the Michigan State Fair was introduced by Townsend as a means of giving recognition to outstanding teachers in the state. He also helped organize Teachers' Day on Campus, an annual summer event held on the campuses of Michigan universities.

A graduate of Hillsdale College, Townsend began his teaching career at Hudson in 1920. He also taught at Flint, St. Clair Shores and Madison, N. J. Over 20 years of his teaching experience has been in Ishpeming.

Long active in school and youth affairs, Townsend organized the Ishpeming Teachers Association, and the high school's first Hi-Y and Future Teachers of America clubs. He also has been a member of the Michigan Week Committee and is currently a director of the Michigan Association of Professions.

Townsend received the MEA's Distinguished Service Award in 1958. This year he will be honored with a State Fair Teachers' Day Award.

Octavius Townsend

Camping Counsel

MILWAUKEE — The U. S. Forest Service has on hand a 32-page booklet on advanced camping. It offers the novice practical hints on how to get the most out of backpacking in the 14½ million acres of National Forest wilderness lands. "Backpacking in the National Forest Wilderness... A Family Adventure" is free from the U. S. Forest Service, Federal Building, Escanaba.

Goal 325 Pints In Blood Clinic

A blood procurement clinic for the Badger Blood Bank, of which Delta County is a member through Red Cross sponsorship, will be held in Gladstone and Escanaba starting Aug. 6.

The quota for the clinic is 95 pints for Gladstone and 250 pints for the period the clinic is in Escanaba. Because of membership in the blood bank, Delta County residents are supplied with free blood when they are patients in any hospital in the nation.

At Gladstone on Tuesday, Aug. 6, the clinic will be in the James T. Jones School from 3 to 7 p.m. In Escanaba the clinic will be in the new Area Public High School (not in the First Presbyterian Church as formerly) on Wednesday, Aug. 7 from 2 to 7:30 p.m. and on Thursday from 10 a.m. to 3 p.m.

Donors from any and all parts of the county are expected to give blood at one of the scheduled clinics so the county's membership may be maintained, said Mrs. Edward Olson, Escanaba, blood program chairman.

Appointments will be given donors for their convenience if they will call the Red Cross office, ST 6-3214 in the morning or ST 6-5371. Those who do not make appointments will be welcomed nonetheless as walk-ins.

Ann Landers

Mother's Day Was Meant For Mothers

Dear Ann Landers: Here it is in July and my wife is still walking around with a long face because I didn't remember her on Mother's Day.

Before you call me a heel I want to tell you she is not a mother. I don't hold that against her because I know she wanted a family, just as I did. Unfortunately, the Lord didn't see fit to bless us.

In other years (11 to be exact) I always sent her a little Mother's Day gift and signed the card "With Love to Mommy from Nipper" — he was our Golden Retriever. But Nipper died last January so I didn't send her a gift this Mother's Day.

She says I should have sent a gift from me. But I say it would have made no sense at all since she is not my mother. Will you please settle this? She's crying again. Thank You. —NAGGED AT

Dear At: She wasn't Nipper's mother either, was she? If you were goofy enough to send your wife a Mother's Day gift in the dog's name you should have sent a gift in your name after the dog died. You both sound like children but next year do it.

Dear Ann Landers: I am engaged to marry a wonderful guy, Dan and I plan to be married a year from now. The problem is we come from such different backgrounds that I wonder if it's possible to overcome the high hurdles.

Dan graduated from an ordinary public high school and then had two years at a mediocre mid-western college. I went to a fine finishing school and graduated from one of the best eastern girls' schools in America. I also have traveled abroad and Dan has nev-

er been out of the sticks.

I'm sure Dan feels inferior to me but he refuses to admit it. Whenever we get into an argument I say things that perhaps I shouldn't say but all of them are true.

A close friend of mine who recently married told me that all engaged people argue and that we will settle our differences after marriage. What do you think?

—MISS QUESTION MARK

Dear Miss Mark: You say you're engaged to marry "a wonderful guy" but your letter spells out clearly how much more wonderful you think you are.

Aside from the fact that you're a girl and he's a boy I see nothing to recommend this relationship. It's incredible to me that you two could even be considering marriage.

Dear Ann Landers: You always seem to have the right answer. Can you supply one for us? We have two adopted children. They are both under two years of age. How often have we heard people say to us, "Adopted children are lovely, but it's not like having your own."

They are entitled to their opinions, but must they say such things in front of the children? The little ones are too young to understand now but what happens when they are older?

Perhaps we are too emotionally involved to see a reply which is obvious to an outsider. Can you help?

—WITHOUT WORDS

Dear Without: You don't need an answer, you need new friends. Anyone who would make such a cutting remark to adoptive parents is hardly worth your time.

Confidential to IS IT WORTH

IT? Of course it is. Your emotional investment in this situation is tremendous. Where did you get the idea that marriage was going to be all sugar and spice and everything nice?

California's Fresno County is the leading agricultural county in the United States.

Home Improvement Books In Demand At County Library

Books checked out of the Menominee County Library at Stephenson show much interest in projects to make homes more comfortable, more convenient, and more pleasant to live in. People are adding storage centers, built-in furniture, cabinets, and family rooms.

There is also a steady demand for books on knitting, sewing, model making, painting, and other crafts. Teenagers often borrow books to aid in bringing coin and stamp collections up to date.

Interest in hobby books on do-it-yourself subjects is high. A partial listing of some of the hobby books recently added to the library follows:

Best — Modernizing and Repairing Upholstered Furniture
Curtis — Complete Book of Knitting and Crocheting
Daniels — Painting and Drawing
David — Toys to Sew
Family Handyman
Fischman, How to Finish Off Your Basement and Attic
Free — A Complete Guide to Gardening
Gardiner — Modern Indoor Gardening
Grotz — The Furniture Doctor
Grotz — From Gunk to Glow; or art of refinishing antiques and other furniture
Hobson — Getting Started in Coin Collecting
Hautzig — Let's Make Presents; 100 gifts for less than \$1
Johnson — Sew For Your Children
Norbury — Odhams Encyclopedia of Knitting
Pelton — Furniture Making and Cabinet Work
Popular Mechanics Magazine — Planning Your Home Workshop
Heinfield — Treasury of American Coins

Singer Sewing Machine Co. — Singer Dressmaking Courses in 8 Steps
Singer Sewing Machine Co. — Singer Home Decorations Sewing Book
Sunset Magazine Editors — Furniture You Can Build
Williams — Practical Book of Built-In Furniture
Yeoman — Handbook of United States Coins
Zaidenberg — How to Draw Birds, Fish and Reptiles.

Perkins

St. Joseph Parish Picnic
The St. Joseph Parish Picnic was held on Sunday on the church grounds. The picnic smorgasbord was cooked and served by the men of the parish, with help from the ladies of the parish with the baking of rolls, bread and cupcakes. Those who won prizes were Johnny Jardin, St. Nicholas, Zeph Arvey, Brampton, Florence Fredrickson, Escanaba, Kathy Flynn, David Simmaev, Ray Juegner, Brampton, Albert Demeuse, Perkins, and Mrs. Orrie Switzer of Gladstone.

Mr. and Mrs. William Mosier, Mr. and Mrs. Adolero Gerou St. and Mr. and Mrs. Alec LaChance left on Monday for a week's fishing trip to Canada.

Mr. and Mrs. Ray Matson of Racine, Wis., and Mr. and Mrs. Stanley Saltz of Stephenson were Sunday visitors at the Gerard Dupuydt home.

Mr. and Mrs. Gus Klein and Laurie of Iron Mountain were Sunday visitors in Perkins. The Klein's will spend the next two weeks at their cottage at Gaith.

Visiting at the Agnes Peterson home over the weekend were Mr. and Mrs. Paul Hicks and family of Negaunee.

Miss Luella Sharkey of Milwaukee, Wis., is visiting with her mother, Mrs. Napoleon Sharkey.

Judith Lynn Anderson will become the bride of James John Jacobs, her parents, Mr. and Mrs. Axel E. Anderson, 1701 5th Ave. S., announce. Miss Anderson, a 1960 graduate of Escanaba Senior High School will graduate Aug. 29 from Columbia Hospital School of Nursing. The prospective bridegroom is the son of Mr. and Mrs. Pearson F. Jacobs of Wauwatosa, Wis. and is presently attending Marquette University in Milwaukee where he is affiliated with the Triangle fraternity. The wedding will take place in Milwaukee.

Germfask

VFW Picnic
The annual VFW public picnic will be held Sunday, July 28 at the old Germfask CCC camp grounds. Everyone is welcome. The day will include: races with prizes and ponies to ride, novelties and food will be served on the grounds and a dance will be held in the evening at the VFW Hall.

Germfask Mennonites, Rev. B. Handrich, pastor — Sunday School 10 a. m. Services 11 a. m. and 7:30 p. m.

Guests at the home of Mr. and Mrs. Howard Snyder who recently returned to their homes were their daughter and son-in-law, Mr. and Mrs. John Koshmider and family of Ypsilanti, a son, James Snyder and family and Mr. and Mrs. Richard Smetkoff of Oshkosh, Wis., and Mr. and Mrs. Wally March and daughter of Ypsilanti.

Mr. and Mrs. John Potvin, Mr. and Mrs. George Tuffnel and families of Manistiquie and Mr. and Mrs. Clare Steel and family of Thompson also Mr. and Mrs. Lester Hall and Mr. and Mrs. Henry Smith spent Sunday afternoon and evening at the home of Mr. and Mrs. Hubert Latsch.

Mrs. Joyce Allan and son Jody of Skandia and Miss Geraldine McEachern of Escanaba, visited with their grandmother, Mrs. Cecil McEachern and family here.

Mr. and Mrs. LaCasse and

children Victor and Bonnie, Mrs. Mary LaCasse and Mrs. Nellie Hall of Rock visited with Mrs. Ellen Carlson at the home of Mr. and Mrs. Emmett Crawn.

Mr. and Mrs. Clarence Calhoun of Manistiquie were visitors at the home of Mr. and Mrs. Emmett Crawn.

O. Lorn Lustila, who has been visiting with his parents, Mr. and Mrs. John Lustila Sr., and other relatives here returned to his home at Los Angeles, Calif.

Wayne McGahan returned to Virginia Beach, Va., after spending a furlough here at the home of his parents, Mr. and Mrs. Lester Ackley and family.

Mr. and Mrs. Kenneth Bryant and son returned to their home at Mt. Pleasant after a visit with relatives here.

Mrs. Vernon Lloyd and children, George, Donald and Joy Ann motored to Flat Rock Saturday to attend the Smith family reunion held there.

John Canary of Marquette visited his children at the home of Mr. and Mrs. Leo Lawrence.

Mr. and Mrs. Ted Ackley Sr., motored to Engadine Sunday where they visited at the home of their daughter, Mrs. Rhine Schroeder.

Mr. and Mrs. Gerald Lytle and children, who have been visiting with the latter's mother, Mrs. Beesie DeLaurier and other relatives here have left for the Lower Peninsula where they will visit before going to their home at Sidal, La.

Mr. and Mrs. Dorry Bonham and children returned to their home at Fenton after a visit here with Mrs. Bonham's father, Richard Decker and other relatives and also with their daughter, Mrs. Richard Martin and family at Harvey. They were accompanied home by Richard Decker and grandson Lloyd Decker Jr., for a visit in the Lower Peninsula.

Harry Johnson of Muskegon and Mrs. Alice Archey motored to Keweenaw Point and also visited in Wisconsin.

Births

MYRSTEN — A son, Michael Frederick, was born to Air Force Capt. and Mrs. Robert S. Myrsten at Holy Family Hospital, Des Plaines, Ill. The infant was born July 19 and is the second child in the family. Captain Myrsten is the Personnel Staff Officer of the 2480 Air Force Reserve Sector at O'Hare International Airport. He is the son of Mr. and Mrs. Frederick B. Myrsten, Rte. 1, Bark River. Mrs. Myrsten is the former Antonette Tuccori of Hampton, Va.

PETERSON — A son, the first child in the family, was born to the Milton Petersons of Rochester, Mich., at St. Joseph's Hospital in Pontiac on Monday, July 22. The boy weighed eight pounds. Mrs. Peterson is the daughter of the Clarence Shallocks, Gladstone Rte. 1, and the baby is their first grandchild. The father is the son of Mrs. Dorance Peterson of the Delta Nursing Home.

Personals

Leonard Bloomquist has returned to Ewen after spending a few days with his sister, Mrs. Dorance Peterson of the Delta Nursing Home, and with other relatives in the community.

Mrs. Marie DuPont left by plane for her home in San Jose, Calif., after spending three and a half weeks with her sister, Mrs. Tom McDonough, 1403 1st Ave. N. Mrs. DuPont was called to Escanaba by the death of her mother, Mrs. Edith Murphy, who resided with the McDonoughs.

Seney

Mr. and Mrs. Jack Ebert and granddaughter from Detroit visited here this week with Mrs. Ebert's sister, Mrs. Clara Boonenberg.

Mr. and Mrs. Jerome Zehr and children from Topeka, Ind., are visiting here with Mrs. Zehr's brother and sister-in-law, Mr. and Mrs. Marion Schrock. Christine and Faith Schrock returned home with them from Goshen, Ind., where they had been visiting.

Mr. and Mrs. Freddie Papple and small daughter from Mequon, Wis., visited here recently with Mrs. Papple's grandparents, Mr. and Mrs. William Hollingshead.

Mr. and Mrs. William Shipley and two daughters from Shingletown visited here Wednesday evening at the Maxson home.

Mrs. Cecil Hollingshead, Miss Verda Smeltzer and Miss Nancy Miller left Monday for Platt Lake near Strong's, Mich., where they will assist with the Mononite Summer Bible Camp for young people being held this week.

Mrs. Frena Tull called on Seney friends on Saturday while enroute to Marquette to spend the weekend with the Percy Tulls.

R. Ketchum from Detroit has been visiting here with his sister and brother-in-law, Mr. and Mrs. Francis Morrison.

Birthday Party

Paula McDonald celebrated her 11th birthday here on Thursday at the home of her grandparents, Mr. and Mrs. Norman Nelson. Attending the party were Vickie and Lisa Lustila, Stevie and Joe Bachlor from Germfask, Kathy and Peggy and Pamela McDonald. The children enjoyed an outdoor luncheon and games.

Visiting at the home of Mr. and Mrs. Leonard Gager recently were Mr. and Mrs. Harry Atkins and Mr. and Mrs. Charles Smith from Port Huron.

Birthday Party

Peggy McDowell celebrated her 10th birthday on Saturday at her home here. Attending the party were Paula and Pamela McDonald, Michele McMahon and Kathy McDowell. Birthday cake and ice cream were served by Peggy's mother.

Mr. and Mrs. Al Wall from Ann Arbor visited here recently at the Leonard Gager home while enroute to Montana.

William Bednar and his mother from Racine, Wis., spent the weekend here at the Ketola home. They were accompanied home by Mrs. William Bednar and two children who have been visiting with her mother, Mrs. Pauline Ketola.

Mrs. Joe Thomas and three children from Grand Rapids are visiting here with her mother, Mrs. Clara Boonenberg.

Mr. and Mrs. Steve Surrill and children from Elyria, Ohio, called on Seney friends on Monday.

Jerry Morden from Port Huron is visiting here this week with his uncle and aunt, Mr. and Mrs. Frank Morden.

Mrs. Pearl Brown from Shingletown is ill here at the home of her son-in-law and daughter, Mr. and Mrs. Walter Niemi.

Mr. and Mrs. David Marquette and son, visited here on Sunday with her parents, Mr. and Mrs. Walt Niemi.

ENSIGN

Summer handbags in corn husk and straw combine country pertness with city chic. A sensational suburban to city traveler, sturdy corn husk bag (left) has harnessed leather foldover lid and strap and comes in a wide variety of colors. Mexican straw handbag (right) has leather trim and roomy zippered inside compartment. Both are Park Lane designs.

Down To Sea In Shifts As Cruising Craze Seizes U.S.

"What, you forgot the beer can opener?"

By WARD CANNEL
NEW YORK (NEA) — Has something gone wrong with the national purpose?

In the past decade, the number of privately owned pleasure boats in the U. S. has more than doubled — a record 7.4 million in-board, outboard and sailboats registered with the Coast Guard today.

But, says the Coast Guard, boating accidents are on the decrease. Between 1952 and 1962, retail sales in recreational boats and boating gear soared from \$720 million to over \$2.5 billion — covering such diverse hazards as anchors, astrolabes and cocktail penants.

But, says the Insurance Infor-

mation Institute, the cost of premiums, especially for motorboat owner, is coming down.

Last year alone showed a 14 per cent rise in registered pleasure craft over the year before, according to the Outboard Boating Club. But boating accidents showed an over-all decrease of 4.4 per cent, with fatal accidents down 8.5 per cent and property damage down by 8 per cent.

Well, are we turning into a nation of sissies, cowed at last by safety propaganda and childish anxiety over life and limb?

It is not so easy to say. The Coast Guard thinks that persistent efforts of groups like the Power Squadron and other boating organizations have finally

made some progress in teaching the rules and precautions of the water life.

Manufacturers associations point to new developments in safety gear, electronic danger signals—radar, sonar, ship-to-shore communications — and improvements in the construction and design of equipment that has accounted for the greatest jeopardy in boating: explosion and fire.

Boatyard people also add that a decade of boating boom has provided a hard lesson in the ways of nature. Owners have learned that hurricanes are seasonal and most summer storms give adequate warning. After a few years, forewarned gets to be forearmed, even for the most daring.

On the other hand, there is reassuring evidence that boating America is not so cowardly as to succumb entirely to the sin of prudence.

With the boating season barely at the midpoint, the Travelers Insurance Co., has paid on such claims of courageous seamanship as:

An 18-foot sailboat that collided with a U. S. submarine; an outboard motor boat that lost a fight with an alligator; another that suffered damage from sea gulls; a third attacked by woodpeckers; a cabin cruiser that struck a porpoise; and a trim sloop that ran afoul of a dead cow.

State Briefs

JACKSON (AP) — A rural Jackson homeowner, Paul Overholser, discovered a skeleton Tuesday while digging footings around his home. The bones have been sent to the State Police crime lab in Lansing. Overholser said his family has owned the house for many years, and he has no idea how the skeleton got there.

ALLEN (AP) — One thousand conservatives from throughout the midwest will gather near this Hillsdale County village Saturday, in what is described as the kickoff of the 1964 presidential campaign of Sen. Barry Goldwater of Arizona. Cliff White, national chairman of the Draft Goldwater Movement will address the group. The rally is being sponsored by the Conservative Federation of Michigan.

Airman Drowned In Kinross Lake

SAULT STE. MARIE (AP) — Airman 3.C Maurice L. Duneghy, 19, of Owenboro, Ky., drowned Tuesday in Kinross Lake, two miles west of Kincheloe Air Force Base. He had been swimming. The airman's body was recovered by skindivers.

Cereal Beetle Spread Is Feared

Work of suppressing the cereal leaf beetle has been resumed in Berrien County with the aerial treatment of between 3,000 and 4,000 acres where infestation is heavy.

Being applied was the pesticide Sevin at the rate of one pound to one gallon of water per acre. Four planes were making the applications, guided by ground crews using flares and balloons.

The purpose of the program is to suppress adult cereal leaf beetle populations and minimize the threat to 1964 grain crops. The cereal leaf beetle is a major destroyer of growing small grain. It was first reported to the Michigan Department of Agriculture from Berrien County in June of 1962. It has been known for more than half a century in the Old World, where entire crops have been destroyed in some countries in some years.

In the current program emphasis is being placed on cornfields and surrounding borders where the pest is reported to be in large quantities in search of green succulent vegetation on which to feed.

On July 1 the quarantined area was extended to include 17 southern Michigan counties with regulated areas established by Michigan's agricultural director, George S. McIntyre.

Presently quarantined are Allegan, Barry, Berrien, Branch, Calhoun, Cass, Eaton, Hillsdale, Ingham, Ionia, Jackson, Kalamazoo, Kent, Muskegon, Ottawa, St. Joseph and Van Buren Counties.

Articles that cannot be moved outside of a regulated area in a quarantined county without inspection certificate include the insect itself in any stage of development; barley, oats, wheat, rye, and other small grains; corn; uncultivated grass and forage crop

seed; hay straw; plant litter of any kind; soil; or harvesting machinery.

Delta County Extension Director Joseph Heirman said "This is an insect we apparently brought in by way of the St. Lawrence Seaway from the Old World. It was found in Berrien County (in southwestern Lower Michigan) last year and is spreading fast."

"Frank Madaski, former Houghton County agricultural agent and now in Berrien, tells me this insect is causing great concern among people working in agriculture. We hope they will be successful in bringing it under control."

"Indiana and Ohio also have the problem in several counties bordering Michigan. While we are some distance from the infested areas it behooves us not to bring in anything in the way of grain from that area. People travel a lot and could, without knowing, move the insect miles and miles by buying untreated grains."

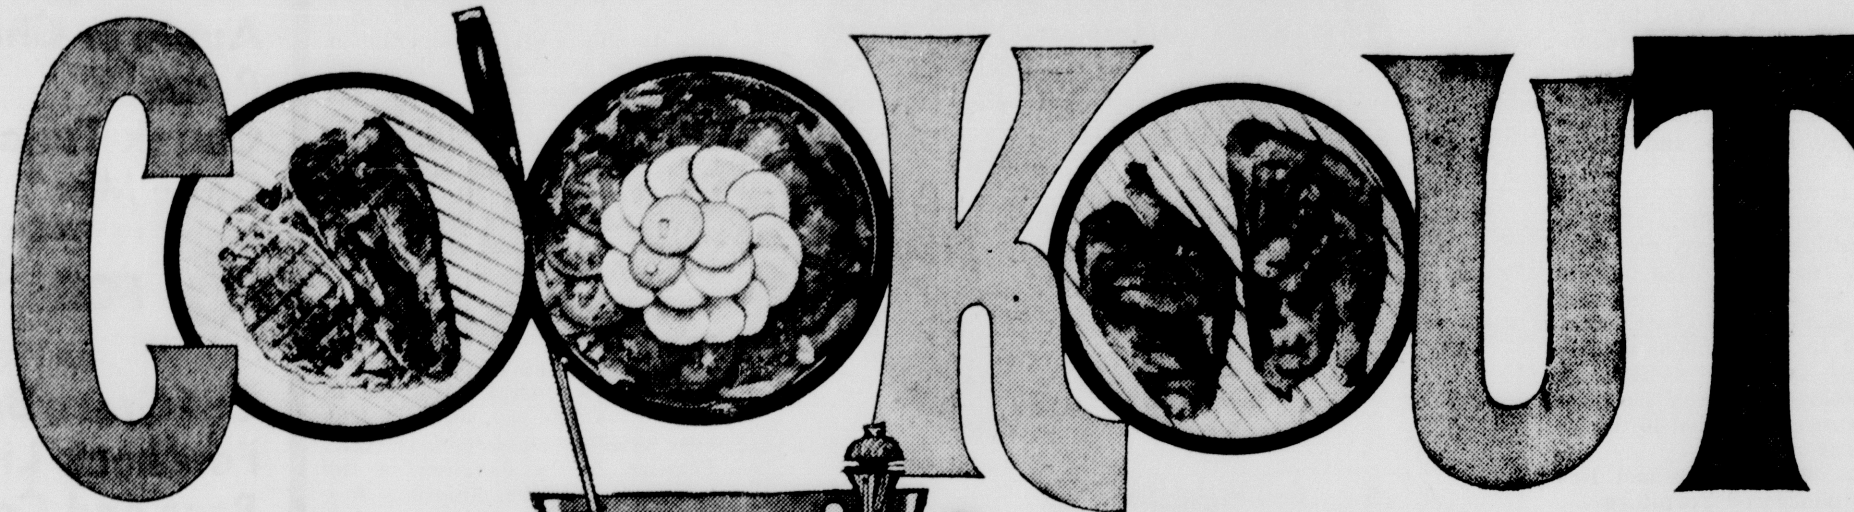

Ford Birthplace Will Get Marker

LANSING (AP) — A historical marker at the site of Henry Ford's birthplace in Dearborn will be dedicated by the Michigan Historical Commission next Tuesday.

The marker will be located at the intersection of Ford and Greenfield roads, where the Ford family homestead formerly stood, and dedicated as part of the observance of the centennial of the auto builder's birth.

The marker has an illustration of the Ford home in relief and a text describing Henry Ford's impact on the economic development of the U.S. and the world.

They'll Do It Every Time

By Jimmy Hatlo

Director Named For Moon Flight

WASHINGTON (AP) — Dr. George E. Mueller, a specialist in space communications, has been named to take charge of the United States' effort to put a man on the moon.

Mueller's appointment as head of the manned space program was announced Tuesday. He takes over the \$21,000-a-year post Sept. 1.

Mueller, currently vice president for research and development at Space Technology Laboratories in Los Angeles, will supervise Marshall Center at Houston and the Launch Operations Center at Cape Canaveral, Fla.

The space agency said Mueller, 45, will take over the duties of D. Brainerd Holmes, who resigned recently as director of the Office of Manned Space Flight.

New Observatory To Be Built In Hawaii By U. M.

ANN ARBOR (AP)—A \$4.3 million ballistic missile observatory, to be established in Hawaii by the University of Michigan, "will represent a significant increase in the astronomical capabilities of the United States," says Dr. James T. Wilson, acting director of the U-M Institute of Science and Technology.

A 3-year contract with the Federal Advanced Research Project Research Products Agency to establish, maintain and operate the observatory on the island of Maui was announced Monday.

The optical equipment of the observatory on 10,000-foot Mt. Haleakala will include one 60-inch reflector telescope and two 48-inch reflector telescopes, Wilson said.

The station, he added, will be the "first in the world to make extensive use of infrared sensing, measuring and recording devices to track midcourse missiles and satellites. It also will be the first astronomical observatory to conduct full-scale astrophysical and geophysical studies in the infrared portion of the electromagnetic spectrum."

Two Lansing Boys Hiking To Alaska Make 915 Miles

WHITEHORSE, Yukon Territory (AP)—Two Lansing, Mich., youths hiking along the Alaska Highway from Dawson Creek, B.C. to Fairbanks, Alaska, passed the 915-mile point Tuesday in the 1,532-mile journey.

Tom Struble and Keith Cossey, both university students, left Dawson Creek June 21. They were accompanied by teacher Park Seiler and John Hall, also a student. They, too, are from Lansing.

Seiler started the trip walking but blisters, swollen ankles and bleeding feet forced him to give up after 101 miles. He joined Hall, who has been driving a bus ahead of the hikers and setting up camp for them.

Seiler was filming a travelogue on the journey but he wasn't too sure how it will turn out.

"We ran over his camera with the bus," Struble said.

The four hope to reach Fairbanks Aug. 10.

State Briefs

DETROIT (AP)—Three boys who, police said, admitted setting a \$25,000 fire in the Tilden Elementary School, were arrested Tuesday. Police said two 14-year-olds and a 13-year-old admitted breaking into the school late last Saturday in a vain search for money. They poured an inflammable liquid on the wood floor of a first floor hall and ignited it, police said.

LANSING (AP)—Bids will be taken next spring on a \$1.3 million bridge carrying highway M 104 over the Spring Lake outlet near Grand Haven. The new bridge is expected to ease a serious bottleneck created when the present Jackknife Drawbridge, 43 years old, is raised for boat passage.

EAST LANSING (AP)—Dr. Donald Pash, a Michigan State University associate professor of broadcasting services, is the only American named to a panel of judges for the Sept. 15-30 Prix Italia television and radio competition in Naples, Italy. Pash has produced music and other fine arts programs on MSU's educational television station WMSB.

LANSING (AP)—A resolution pledging full support and cooperation to the possible establishment of a \$30 million college of osteopathic medicine here has been passed by Lansing's city council. The capital city has been mentioned as a possible site.

LANSING (AP)—More than 300,000 boats have been registered with the state since Jan. 1 and new registrations are being processed at 1,000 to 1,500 a day, Secretary of State James Hare reports.

California's famous redwood trees actually belong to two different species of conifers.

Menominee County Extension Agent Gail E. Bowers of Stephenson shows hailstorm damage to corn on the farm of Clement Linder and Son at Nadeau last Sunday night when the storm collapsed a big dairy barn and killed 30 Holstein milking cows. Bowers holds a cornstalk where the storm broke it off. The corn in a field next to the barn was about half destroyed. (Daily Press Photo)

The stalks of corn in the foreground show what a hailstorm did to a field of corn on the Clement Linder farm at Nadeau. The stalks are broken off and the remaining leaves have been riddled by hail. Where the corn kept its growing tip it will recover and keep growing, but much of the field was damaged beyond recovery. (Daily Press Photo)

Spittlebug Attacks Wisconsin Forests

MADISON, Wis. — A bug that punctures twigs on red and jack pine trees, then sucks out the sap and eventually kills the tree is threatening about 800 acres of pine plantation in northeastern Wisconsin, the Conservation Department reports.

Aerial spraying is planned this week.

The pest, Saratoga Spittlebug, starts life in a mass of foam on the forest floor feeding on sweet fern, strawberry, willow, raspberry and some 50 to 60 other understory plants. When it develops wings it flies to larger trees and drills feeding holes which may also attract deadly fungus infection.

Of the area to be sprayed, 536 acres is located on plantations in the Marinette County forest. Another 200 acres is located on private forest lands in Oneida County, half of which is owned by the Nekeosa-Edwards Paper Co. The rest is a small plot of forest crop land in Florence County.

Rock Attend Camp

Young people from the Rock and Turin area who have attended or will attend the Upper Peninsula Bible Camp this summer at Little Lake are Susan Brungaber, Diane Croasdel, Richard and Theretha Gere, Linda and Stephanie Hill, Janet and John Jackson, Clarence Johnson, James Johnson, Connie Norkoli, Daniel and Sandra Oja, Bernice Poler, Ruth Shampine, Daniel and Marilyn Small, Maide and Marvin Tulla, Norma Underwood, Eddie Wade, Nancy Weidum, Michael and Richard Yanke.

Mr. and Mrs. Bernard LeClaire and daughter Janet have returned to Clarkston after spending two weeks at the Louis Nelson home. Mr. and Mrs. Garfield Skewes have returned to Chicago after visiting with Mr. and Mrs. Louis Nelson.

The California redwood grows only along the coast of the northern part of the state.

Decatur, Ill., after visiting her mother, Mrs. Carl Kubont.

Mr. and Mrs. Gene Mainville and Kandy visited with Mrs. Erma Mainville.

Laurie Kallio from the Copper Country, is visiting her aunt and uncle, Mr. and Mrs. William Kallio and family.

Mr. and Mrs. Frank Wheeler and Lyle visited Saturday with Mr. and Mrs. Wes Emery at Gould City.

Detroit Heads Savings League

MACKINAC ISLAND (AP)—Alfred L. Deutsch of Detroit was elected president of the Michigan Savings and Loan League at the 76th annual convention which closed Wednesday.

Richard Porter of Battle Creek was elected first vice president and Howard E. Augspurger of Sturgis second vice president.

Harry S. Palmer of Dowagiac was named to the board of directors.

Democrat Women Check On Voters' Party Affiliations

LANSING (AP) — The Federation of Democratic Women has launched a telephone campaign aimed at finding out the political affiliation of every voter in Michigan by January 1964.

The campaign will be conducted at the county level, with Carolynne Kubert, Wayne County Democratic vice chairman, and Mary Fox, of Washtenaw County, heading the program.

Deputy Auditor General William Burgett will serve as coordinator. The campaign, known as "Target '64 - Operation Telephone," is designed to find and identify Michigan voters of both parties and independents, as a means of increasing Democratic registration.

Pollinating insects are essential for seed development in carrots, radishes, turnips, cabbage, celery and many other vegetables.

Boys Camp Out At Twin Springs

Gladstone boys had their turn at an over-night outing Tuesday when 104 campers, accompanied by Don Protenhauer, director of the recreation department, spent the night at Twin Springs Park. Other chaperones were Jim Green, Les Swanson and Larry Sabourin. The boys spent the day playing baseball and water sports and managed to get to sleep by midnight.

Transportation by boat from the Gladstone Yacht Harbor was provided by Tom Watson, Brian Martin, Bob Kelly, Mike Bryant, Nancy Goodman, Jim Dehlin, Dr. George Maniaci and Sid Skellenger who used his yacht "Lucky Lynn."

Mrs. Louis LaCombe Dies

Mrs. Louis LaCombe, 79, of 610 Minnesota Ave., died at 1:05 p.m. today in St. Francis Hospital where she had been a patient for the past seven weeks. She had been in ill health for the past several years.

She was born Marie Parent June 22, 1884 in Turner, Mich., and had been a resident of Gladstone most of her life. Her marriage took place July 5, 1922 in this city.

Mrs. LaCombe was a member of All Saints Church, the Women's Catholic Order of Foresters and of the Daughters of Isabella. Survivors include her husband; one son, Roque Gagner of Livonia, Mich.; one daughter, Mrs. Juliette Milnas of Schiller Park, Ill.; six grandchildren; and three sisters, Mrs. Laura Cassell of Gladstone, Mrs. Helen King of Bay City and Mrs. Thomas Norvus of Tawas, Mich.

Friends may call at the Skradski Funeral Home after 2 p.m. Friday, where liturgical prayers will be recited at 8 p.m. Funeral services will be conducted at 9:30 a.m. Saturday in All Saints Church with Rev. Matt LaViolette officiating. Burial will be in Fernwood Cemetery.

President Abraham Lincoln signed the Land-Grant College Act July 2, 1862.

Gussie and Helen Nelson

Former Resident, Catherine D'hondt, Dies In Detroit

Mrs. Henry (Catherine) D'hondt, 78, of Detroit, former Gladstone resident, died Wednesday in a hospital in that city.

Mrs. D'hondt was born April 6, 1885 in Green Bay, and had been a resident of this city during the years her family operated a bakery and soda fountain, The Opera Annex, at 710 Delta Ave. Her husband and one son preceded her in death.

Surviving are four sisters, Mrs. Josephine Vogt, Mrs. Anne Peerenboom and Mrs. Jennie Hansen, all of Oshkosh, and Mrs. Barbara Noll of Marinette; and three brothers, Frank DeKeyser of Oshkosh, Henry of Iron Mountain and William of Gladstone.

The body will be brought to the Skradski Funeral Home where friends may begin calling after 4 p.m. Friday.

Funeral services will be conducted from All Saints Church at 8 a.m. Saturday. Burial will be in Fernwood Cemetery.

Ice Cream Social

Women of Evangelical Covenant Church will sponsor an ice cream social on the Walter Erickson lawn at 9th Street and Michigan Avenue, beginning at 7:30 p.m., today.

The public is invited to attend. Hostesses are Mrs. Erickson and Mrs. Gilbert Olson.

Briefly Told

State Police of the Gladstone Post issued traffic summonses to the following: Oliver Chenier, Rte. 1, Gladstone, defective equipment, turn signals; and William Beaudin of Manistique for speeding.

Personals

Guests at the home of Mr. and Mrs. John Bellefeuille on Sunday were Dr. and Mrs. A. E. Wolfe of Spring Grove, Ill.; and James Erickson, Kinross air base, Sault Ste. Marie.

Oberlin College became the first coeducational college in the U. S. in 1837.

Tourist Park Progress Good

Progress on Gladstone's new tourist park has made great strides within the past several weeks and workmen are now ready to begin construction of the main building, according to Bob Wellman, president of the Gladstone Chamber of Commerce.

He said that during the past 14 days workmen have been working at a fever-pitch to complete the foundation to the building which will allow city crews to move in and begin laying gravel pads for trailers and to install electricity.

The building, which was donated by Northern Cedarcraft of Gladstone, is 28x36-feet and will be of cedar construction. It will house showers for men and women, wash rooms for both, a service room and an office. The office will be occupied by the caretaker of the park.

Until the new tourist site is completed Camp Wilderness is being used by campers. Wellman said that it is being used on a "free" basis because the sanitation facilities fail to meet state standards.

All labor and most of the materials being used for the new service building are being donated. Wellman said however there will be some purchases necessary.

The new trailer and camping site is a joint-effort between the Chamber of Commerce and the City of Gladstone. The city will handle the electrical installations, placing of water lines and construction of the gravel pads for trailers.

City Manager H. J. Henriksen said this week that city workers will begin working in the park this week. He also said that between 30 and 40 pads, all graveled, will be installed this year.

State Briefs

SAULT STE. MARIE (AP)—Steve Gagnon, 16, of Sault Ste. Marie, drowned Wednesday while trying to swim in a side channel of the lower St. Marys River, three miles south of the Soo Locks. His body was recovered.

DETROIT (AP)—More than 75,000 persons are expected to attend the 1967 convention of the world's Shriners here. The decision to hold the four-day convention in the Motor City was announced Wednesday. Detroit attorney Charles E. Merrill is scheduled to be elevated to imperial potentate, the Shrine's highest office, and will be the presiding officer at the convention.

DETROIT (AP)—Harbormaster Bureau police Wednesday recovered the body of Anthony Tringali, 14, of Detroit, who drowned while attempting to swim across a polluted canal off the Detroit River. The youth and a companion had climbed a high steel fence to reach the forbidden swim site.

Golfers Lined Up For Pari-Mutuel

Teams for the pari-mutuel to be held at the Gladstone Golf Club Saturday are as follows:

Team 1 — Pete Peterson, Gus Stewart, DeDe Peterson and Joyce Keane.

Team 2 — Walter Olds, Ron Anderson, Mickey Esler and Sam Beck.

Team 3 — Jack Smith, Clair Hoehn, Bev Peterson and Marie Kearney.

Team 4 — Phil Legault, Joan Anderson, Gus Boydston and Carol Wood.

Team 5 — Bob Skellenger, Alice Altese, Sally Johnson and Gus Dehlin.

Team 6 — Jim Peterson, Buck Dufour, Katie Vondemel and Lou Rodman.

Team 7 — Jim Damitz, Red Valentine, Ev Skellenger and Kathy Sandulius.

Team 8 — Connie Johnson, Bud Hess, Fern Hall and Bernice Valentine.

Team 9 — Grier Ivory, Bob Richards, Josie Dufour and Kay Boydston.

Team 10 — Co Tivergien, Ron Dufour, Tillie Cannon and Josie Dehlin.

Team 11 — Bill Wood, Bev Farrell, J. C. Miller and Marcine Smith.

Team 12 — Dot Coulter, Bob Howard, Bill Johnson and Ruth Ivory.

Team 13 — Charles Johnson, Marion Tibergien, Jack Keane and Lois Hess.

Team 14 — August Altese, Rex Coulter, Vi Damitz and Marie Harris.

The shotgun start will be at 3 p.m., and all players are asked to be at the club house by 2:30 p.m. A cocktail hour will precede the dinner and all members and guests who plan to attend the dinner must have reservations made at the club house by Friday evening.

Card Of Thanks

Carlson

We wish to express our sincere thanks to neighbors, friends and relatives for the assistance and sympathy shown us at the time of our recent bereavement, the death of our beloved husband and father, Ernest Carlson. Especially are we grateful to those who sent cards and flowers, offered cars for the service, the Rev. Meldon Crawford, Paul Cowen, Helene Merkl, Mr. and Mrs. John Skradski, the B. of R. T. and its auxiliary, the pallbearers and all others who by word or deed assisted us at this time. The memory of these many acts of kindness will always remain with us.

Signed:
Mrs. Ernest Carlson
and Family

ESCANABA & MANISTIQUE

In This Corner

with BILL FINLAN

(pinchhitting for vacationing Ray Crandall)

The pride of the Escanaba Yacht Harbor, The Rose Of Sharon, owned by Charles Stoll of Escanaba, will sail for Menominee later this week to compete in the 28th annual M & M Yacht Club 100-mile Race. The Rose of Sharon is the defending champion in Class A, and holder of the E. P. Smith Trophy which goes with the winner each year.

The four classes start the race Saturday morning with Class C leaving at 9:10, Class B at 9:20, Class A at 9:30 and the Universal Class at 9:40. The race follows a roughly rectangular course within Green Bay from Menominee to Green Island, north around Horseshoe Island, west around the north end of Chamber's Island and back to the starting point at Menominee.

The 100-mile Race originally took its name from the length of the course, but through the years has been shortened to 50 miles. Ordinarily, sailboats now start crossing the finish line in late afternoon of the race day. Last year 23 boats crossed the starting line and 17 finished. An even larger registration is expected this year according to a report from the club's vice-commander of sailing.

Last year's overall winner was the Maria, owned by Joseph Bonness of Milwaukee. Class A was the Rose of Sharon. Class B was the Windbourne, owned by Max Murphy of Green Bay. Class C winner was the Cayo, owned by Wallace Cole of Fish Creek. In the Universal Class the Arete won the event. The Arete is owned by the Hugh Higley family of Menominee. The sailboats race under the rules of the Lake Michigan Yachting Association.

Reno Petteuzzo, a stylish right-hander from the Canadian Soo whipped the softball past opponents unerringly this week in fashioning his fifth no-hitter of the season. Petteuzzo struck out twelve would-be hitters on the way to the victory. He has no-hitters against the following teams at the Soo: Coast Guard, Northview Lounge, 753rd Radar Squadron and Kincheloe Air Force Base.

Hansen Stops Tigers With Two-Run Homer

DETROIT (AP) — Every Tiger regular is outgunning Ron Hansen, the Chicago White Sox shortstop with a feeble .219 batting average.

But how Detroit could use a player who makes his few hits count for as much as Hansen.

The clutch-performing Hansen drilled a two-run homer and a sacrifice fly for all of Chicago's runs in a 3-1 victory over the Tigers Wednesday night. The loss snapped Detroit's three-game winning streak and pushed the Tigers two games out of eighth place behind Los Angeles.

It was the 12th time Hansen drove in the winning run for the White Sox. He's accounted for the deciding run in 23 per cent of their 53 victories. Nobody on the Tigers has come close to matching this.

Hansen has only 59 hits—fewer than six of the Tigers who opposed him last night. But 11 of his hits have been homers and he's knocked in an astounding 48 Rocky Colavito, Norm Cash and Every other Tiger except Al Kaline.

The Tigers made a strong pitch to get him from Baltimore in a trade last winter, but failed.

Gary Peters, a rookie who made it with the White Sox after seven years in the minors, stopped the Tigers with a strong performance for the second time in 13 days.

U. P. Ball Tourney For Ages 13-15 To Be In Trenary

Entry forms for the Third Annual Upper Peninsula Junior Boys Baseball Tournament are now being accepted by the tournament director.

The tournament is open to teams composed of boys aged 13-15 which are not affiliated with a national baseball program.

The tournament will be held August 8-11 in Trenary and Chatham.

Teams interested should contact Donald Kallio, Trenary, Mich. for entry forms and tournament rules.

The deadline for entries is August 1.

Cubs Win 4-2

Esky Retains Title; Schultz Gets Victory

By BILL FINLAN
Press Sports Writer

The District 11 American Legion Championship is in the bag for the Escanaba Cubs. They downed the Menominee Beavers in the third and final game last night 4-2. Now their assignment is to capture the Upper Peninsula Championship when they tackle the District 12 Champs at Menominee on Saturday.

The whole story of the final games of the tournament is the superb pitching of Wally Schultz and near perfect fielding by the entire team. Schultz, who threw the entire game Tuesday night to hand the Beavers their first shut-out of the season, was called on again by Coach Al Ness to take care of Menominee's big gun, Bill Hermansen. Hermansen had

handcuffed the Cubs, winning 5-4, on Monday evening.

Schultz came through for Ness, nearly equaling Tuesday's performance. He scattered five hits, one of them a homer by Paul Angeberg leading off in the second, the only earned run allowed Menominee in both games. Wally struck out six, two of them in the last inning when he was showing signs of tiring, but the Beavers were over anxious about getting back in the game.

Menominee got its other run on a walk, wild pitch and an error with one down in the ninth. Schultz then fanned Ron Twork and got rival pitcher, Bill Hermansen, to fly out to left fielder Jerry Sundquist to end the game.

Escanaba went down one, two, three in the first inning, but in

the second Mike Kositzky got to first on an error by the second baseman, and Ron Gauthier picked on the second sacker for another error to put men on first and second. Dave Kositzky promptly slapped one down the right field line past the right fielder for a triple, bringing home two runs. Hermansen put out the fire, striking out two (he had 11 in the game) and getting Johnson to ground out pitch to first.

Kositzky died on first following a single in the fourth. The Cubs threatened in the fifth when Hebert walked with two out and Frank Trotter doubled into left center. Hermansen fanned the next batter to stop the threat.

Esky got its last two runs in the sixth when Mike Kositzky singled and Ron Gauthier followed with a triple. Dave Kositzky fanned and Jerry Sundquist sacrificed Gauthier home. The Cubs threatened again in the seventh when Hebert led off with a walk and Trotter singled, but it died there.

The Cubs turned out three of the finest fielding plays of the tourney in last night's game. In the third inning Lyle Beyer lined a grounder off the glove of pitcher Schultz, but Jim Bruce, who was racing over to back up the play, reached out and grabbed the ball bouncing away from Schultz and fired to first for an easy out.

Later in the fourth inning, Jerry Poquette topped the ball and a slow grounder went about ten feet in front of home plate. Schultz raced in, scooped up the ball, slipped to a sitting position, and fired a strike to first to get Poquette.

Tim Rosenmeyer led off the eighth inning with an apparent Texas Leaguer, but second sacker, Joe Hebert, raced nearly to the foul line about 75 feet behind first base and grabbed the ball.

District Tourney Opens In Escanaba Tomorrow

One of the final Centennial Year's activities will get underway tomorrow afternoon at 2:00 at the Little League Diamond when the District 11 tournament opens when Superior Nationals take on the Iron Mountain Northern team. Escanaba, the local area representative will play Ashland at 4 p. m.

Word was received last night that Superior will arrive in Escanaba by bus at 12:47 tomorrow night. Parents hosting these boys will be contacted regarding arrangements. No word has been received from Ashland regarding the time they will arrive Friday. Iron Mountain elected to go home after Friday's game and return Saturday.

Following Friday's games the Escanaba Jaycee Little League will entertain the players at a banquet to be held in the commons of the new Escanaba Area High School. Escanaba Little Leaguers, who want to attend, may get tickets from their managers. A limited number of tickets will be on sale to the public at Gust Aspi's, but reservations must be in by Friday morning.

Tom Ferguson, Escanaba pantomime entertainer, will perform, and it is planned to show the Walt Disney movie, "Little League Moosey." Bob Jensen is chairman of the event. The championship game will be played Saturday afternoon at 2 with a consolation game to follow. Ray Wahowiak of Gladstone will work behind the plate while Tom McEniry will serve as umpire in chief. Fred Gravelle will again be the official scorer.

Big Triple Header Set For Saturday Babe Ruth Action

In Babe Ruth action last night Harnischfeger Local 632 edged Kiwanis Club 2-1. Jerry Richard went all the way on the hill for Harni giving up a total of 4 hits, 3 walks and struck out 5 batters. Jim Peltier banged out a single and double to lead Harni at the plate.

For Kiwanis Club Bob Irish handled the pitching giving up only 4 hits, 4 walks and struck out 6 batters. Irish was the outstanding hitter for Kiwanis getting a single and double.

A triple header will be played on Saturday with Kiwanis Club meeting the Bankers at 10 a.m., Elks Club vs. Mead Paper Co. at 1 p.m. and at 3 p.m. Insurance Association meeting Harni Local 632.

Postponed games will be played on Monday evening July 29, with Elks Club meeting Insurance Association at 6:15 p.m. and on Tuesday night July 30, Bankers meeting Harnischfeger Local 632 at 6:15 p.m.

The Babe Ruth baseball program will close officially on Wednesday, July 31.

In last night's game the Astros defeated the Jugs 16-3. The winning pitchers were Sue Van Effen and Pat Wellman. Losing pitcher was Connie Verhaghe. Tonight's action pits the Astros against the Crusaders at 6:45 at Royce Park.

Dodgers 8 Games Up

Cubs' Kennedy In Running For Coach Of The Year

By JOE REICHLER
Associated Press Sports Writer

Barring a complete disintegration of his forces, Bob Kennedy of the incredible Chicago Cubs appeared a certainty today to be voted 1963 National League manager of the year.

But hold on there. How can one bestow a managerial accolade upon a coach, even if he has been designated as head coach?

Cub owner Philip K. Wrigley, insists there is no manager on his club.

Kennedy, in his first year with the Cubs, is last on the list of 12 Chicago coaches appearing in the National League green book. But he is the acknowledged boss on the field. So much so that he's been there all year. In each of the past two years, the Cubs rotated their "head coaches", using at least three per season.

Regardless of his title, Kennedy has done a magnificent job. He has had the Cubs, a preseason pick to battle the Mets and Colts for eighth place, in pennant contention virtually from opening day.

Wednesday the third-place Cubs defeated Cincinnati 2-1 behind the four-hit pitching of southpaw Dick Ellsworth to advance to within a game of the second place St. Louis Cardinals who were beaten 8-1 by the Milwaukee Braves.

Nine games over .500, the Cubs are eight games in back of the league-leading Los Angeles Dodgers who defeated the Pittsburgh Pirates for the seventh straight time, 5-1. San Francisco's fourth-place Giants eked out a 4-3 victory over the New York Mets and

Philadelphia whipped Houston 6-3.

The American League-leading New York Yankees defeated Los Angeles 8-4 but had their lead trimmed to 8½ games by the Minnesota Twins who blanked Cleveland twice 9-0 and 5-0. Kansas City also took two, by 5-2 and 7-6 scores against Boston. Baltimore topped Washington 85 and the Chicago White Sox clipped Detroit 3-1.

Ellsworth, a 20-game loser last year, outpitched Cincinnati's Bob Purkey for his 14th victory. He has lost seven. Trailing 1-0, the Cubs scored twice after two out in the seventh on back-to-back doubles by outfielders Lou Brock

and Ellis Burton. Andre Rodgers had singled earlier in the inning.

Don Drysdale, who almost never loses in July, posted his fourth victory of the month as the Dodgers increased their first-place lead over the Cards to seven games. The big right-hander allowed five hits, struck out eight and walked one.

The Dodgers got a run in the third off loser Earl Francis and broke a 1-1 tie with a four-run rally in the fifth. They scored one run on a single-loaded walk, two more on a bases-loaded walk, two more on a single by Johnny Roseboro and another on a wild pitch.

Milwaukee southpaw Denny Lee Master spun a five-hitter against the Cards for his sixth season victory. Dennis Menke and Frank Bolling supported him with home runs.

Ron Gauthier, right fielder for the District 11 Champion Escanaba Cubs, makes a beautiful slide into home plate in sixth inning of last night's American Legion tournament action. Gauthier got to third on a triple which sent teammate Mike Kositzky home with the lead run. Gauthier came home when Jerry Sundquist bunted down the first base line. Phil Lynwood of Menominee grabbed the ball and fired to catcher Jim Christensen, but Gauthier's slide took the ball out of Christensen's glove. Escanaba went on to grab the championship 4-2 behind the five-hit pitching of Wally Schultz, who also won Tuesday night's game with a two-hit performance.

Rookies Get Praise From Coach Wilson At Lion's Practice

DETROIT (AP) — Four rookies turned in dazzling performances and were praised by head coach George Wilson Wednesday as the Detroit Lions completed their first day of workouts at nearby Cranbrook.

Wilson said he thought "that overall this is the best squad we've had to work with in many years."

Fullback Nick Ryder, a 10th round draft choice from the University of Miami, quickly impressed the Lions' coaches. "He has the right moves. He picks up things quickly and you can see he likes to work," said Wilson.

Also included in Wilson's praises were End John Simon, a teammate of Ryder at Miami, end Albert Greer from Jackson (Miss) State College, and linebacker Dennis Gaubatz from Louisiana State. Three other Lion rookies are training in Chicago for the College All-Star game.

Beatty Comes Home

WARSAW (AP) — Los Angeles distance runner Jim Beatty said he was returning home because of a sore tendon and would not compete with the U.S. track team touring Europe.

Ford Wins No. 16

Blanchard Homers As Yanks Down LA; Tigers Lose 3-1

By BOB GREEN

"The catchers are carrying this ball club," said Yankee catcher Elston Howard.

"We've got the best infield in baseball," said Ralph Houk, Yankee manager.

"New York's got that great overall power," said Johnny Pesky, Red Sox manager.

"They've come up with a couple of fine young pitchers in Al Downing and Jim Bouton," said Bill Rigney, Los Angeles manager.

So maybe they've all forgotten Whitey Ford? At least no one seems to be talking about him. Ah, well, maybe there's no reason to. He's just won 12 in a row, 16 in all and, as usual, is shouldering the burden of the important pitching chores as the Yankees go bombing along toward another pennant.

The 34-year-old left-hander was no more excited than a businessman is walking to the office Wednesday as he turned in a workman-like 8-4 victory over the Los Angeles Angels, the Yanks' sixth straight. He allowed only six hits and struck out eight before giving way to a pinch hitter after seven innings.

Minnesota's Twins got good pitching performances from Dick Stigman and Jim Kaat in a double blanking of Cleveland, 9-0 and 5-0; Kansas City swept two from Boston, 5-2 and 7-6; Baltimore overcame a four-run deficit and beat Washington 8-5, and Chicago de-

feated Detroit 31.

Ford's victory put him in a tie with the Dodgers' Sandy Koufax and the Giants' Juan Marichal as the majors' top winner of the season. And he extended his own mark as the most consistent winner in the history of the game among pitchers who have won 100 or more. His lifetime mark of 191-74 for a percentage of .721 leads the all-time list. Spud Chandler is next at 109-43. 717.

John Blanchard, a converted catcher pressed into service in the Yanks' injury-riddled outfield, once again provided the big hitting. He drove in four runs on a homer and two singles and scored twice.

Minnesota's Stigman was supported by an 11-hit attack that included two homers by Don Minchener and four-baggers by Rich Rollins and Johnny Goryl in the first game victory.

Jim Hall's ninth-inning homer broke a scoreless duel in the eighth and Kaat put it out of reach with a three-run blast. He struck out 11 and allowed only six hits.

Spahn Meets Burdette In Showdown Today

MILWAUKEE (AP) — Warren Spahn and Lew Burdette, who were roommates when they hurled the Milwaukee Braves to National League pennants in 1957 and 1958, are scheduled for a mound showdown today.

Spahn, at 42 baseball's most successful left-handed pitcher, will be on the mound for the Braves, while the 36-year-old Burdette will be wearing the uniform of the St. Louis Cardinals.

"It will be strange facing Burdette at the plate," Spahn said Wednesday night as the assignments were announced. "In fact, it's strange seeing him in another dugout."

Burdette joined Spahn in the exchange of mock concern over the other's plate power.

Spahn, according to Burdette's findings, "is a better over-all hitter than I am. And he should be, he's been playing 15 years longer than I have." Of his own hitting, Burdette said, "I hit in spots."

But the plate power of the two master hurlers is not all jest. Spahn's 33 career homers are a high for National League pitchers. Burdette owns a piece of a National League record for hitting by pitchers, twice belting two home runs in a game.

As Spahn contemplated the mound duel, he said, "seriously, we'll be trying to outdo each other."

The stage for the face-to-face test was set when the Braves traded Burdette to the Cards June 15 in a bid to add some punch to the batting order. Milwaukee got outfielder-infielder Gene Oliver and rookie pitcher Bob Sadowski in the swap.

The game will mark the second time the Braves have been opposed by Burdette. The Braves had all the better of the first meeting, handing the right-hander his eighth defeat in 15 decisions

Babe Ruth Tourney To Start Saturday For State Crown

PORT HURON (AP)—The State Babe Ruth League tournament will begin here Saturday.

Represented in the competition are Algonac, Detroit, Ypsilanti, Benton Harbor, Garden City and Marquette. Two teams from Port Huron will take part.

The winning team, made up of baseball players ranging in age from 13 to 15, will travel to Eau Claire, Wis., on Aug. 6 to compete in a national baseball tournament.

Mich. Open July 29

GRAND BLANC (AP) — The deadline for entering the Michigan Open Golf tournament has been pushed back from July 26 to July 29. The tournament will be held Aug. 16-18 at Atlas Valley Country Club here.

Mother-Daughters In Tourney

These three women competed in the Upper Peninsula Women's Golf Tournament last weekend out of the Highland Club of Escanaba. All three earned honors at the meet. An interesting note about the golfers is that the center one in the picture is Mrs. Einar (Vicki) Beck and the other two are her daughters. On the left is Mrs. Richard (Elaine) Nelson and on the right is Mrs. Alan (Carol) Davidson.

Cousins Battle In Sail Series

The seagull class race series sponsored by the Escanaba Yacht Club is shaping into a battle between a couple of cousins who are now separated by less than three points in the standings.

The youths are Pete Boyce, son of the Donald Boyce's, and Bill, who is the son of Mr. and Mrs. Francis Boyce.

Last evening in the fourth in the series of five races Pete out-sailed Bill to come in first by 30 seconds. The starting gun was at 6:30 at the harbor entrance and the boats sailed a triangular course to return to the starting point.

Pete's victory boosted him to 11 1/2 points and second place in the series. Bill, who came in second last night, retained first with 13 1/2 points.

Other skippers in the series are Jim Vanierbergh, third with 7 1/2 points, John Hebert and Bill Morris. Hebert came in third in last night's race.

Fifth and last race in the series will be sailed Wednesday, July 31, starting at 6:30 p.m.

At 10 a.m. Sunday the John Bissell trophy race to Gladstone will be started. The 1962 trophy winner was Bill Boyce.

Sailboats of the seagull class maneuvered for the start of another in the series of races held last evening under sponsorship of the Escanaba Yacht Club. Pete Boyce came in first, but Bill Boyce

is still top skipper in the series standings so far. The final race is set for July 31. (Daily Press Photo)

Suggest Crash Program At Soo

SAULT STE. MARIE—A short-range crash program to create employment for this winter and next year, and a longer range program of industrial development in the Sault were the recommendations of Benard Conboy, director of the Michigan Dept. of Economic Expansion, following a meeting of city officials and industrial development groups who heard the report of the industrial survey being sponsored here by the Hudson Foundation.

"It seems regrettable that a city of this size would become accustomed to such a low level of economic activity, and to an unemployment rate which is double the state or national average," Conboy said.

Conboy cited the need for immediate plans for the coming winter, which will bring the loss of an additional 200 jobs at the Carbide plant and mark the end of seasonal highway construction in the area.

Conboy recommended the consideration of a city income tax as a special inducement to industry, and investigation of industrial bond possibilities of the city. An industrial tax program designed especially to attract industry should also be explored, he said.

"The community has many of the usual opportunities, plus many which are unique," Conboy said, listing among these the Locks, water and power, tourist attractions, and proximity to Algoma steel facilities.

"In offering the help of the state Economic Department, we are anxious that you understand your problem and that you begin to work at it much harder immediately," Conboy concluded.

Marinette Girl Is Drowning Victim

MENOMINEE — A Marinette girl, Mary Lee Darland, 14, drowned at 6:20 p. m., Tuesday in the Henes Park Beach waters.

It was Menominee's first drowning fatality since 1960.

The girl was spotted in the water outside the yellow buoys (marking deep water) by James Tessmer and Carl Peterson, both of Menominee. The pair said the girl appeared to be playing and they said she went down. Tessmer and Peterson said they didn't see her come up.

The two men went out into the water but couldn't find her. Meanwhile an unidentified man raced into the water, found the girl about 20 feet from Peterson and carried her to shore.

Artificial respiration was administered but all efforts to revive the girl failed.

Bark River

Miss Deanne LaVigne returned Saturday to South Pasadena, Calif., after spending a two weeks vacation with her parents, Mr. and Mrs. William LaVigne.

Mr. and Mrs. Bernard Prendergast and daughters, Dawn and Terry, returned to their home in Rochester, N. Y. after a ten day visit with her parents, Mr. and Mrs. Louis Kleiman. Mrs. Prendergast was formerly Joann Kleiman.

Mr. and Mrs. Norman Niquette returned Thursday from a trip to Porcupine Mountains and Lake of the Clouds.

Lawrence Knauf Jr. and Messrs. and Mesdames Leonard Niquette, Robert Robinette, James LaVigne, Daniel Dugas, William LaVigne and Louis Kleiman spent the weekend at Tahquamenon Falls.

Mrs. Jarold Schroeder and sons, Timothy and Daniel, of Holt, Mich. visited several days with Mr. and Mrs. Daniel Levesque. Mrs. Schroeder was formerly Ila Ann Perron, Mrs. Levesque's sister.

Birth

Word has been received of the birth of a son to Lt. Commander and Mrs. Daniel Bergman of Monterey, Calif. The baby, Edward James, weighed six pounds, fourteen ounces, when born Tuesday, July 23. He has two brothers and three sisters. Cdr. Bergman is the son of the Edwin Bergman's and Mrs. Bergman was the former Alice Ann Niquette, daughter of Mr. and Mrs. Norman Niquette.

Dairy Products Price Posting Is Hinted By Study

A price posting law appears the likely outcome of the current legislative investigation of Michigan dairy industry marketing practices, members of an interim committee of the Legislature studying the situation indicate.

The committee, with Rep. Andrew Cobb (R-Elsie) as chairman and Rep. Einar Erlandsen (D-Delta) as a member, held hearings in Grand Rapids this week after hearings in Escanaba July 1 and Ironwood July 2. The group plans to complete its study of Michigan dairy products marketing in the Detroit area later.

The problem under study is an old one. Most of the pressure for legislation to cope with it has come from the Upper Peninsula, where the problem is acute because of proximity to Wisconsin, the nation's No. 1 milk producing state. It has a chronic surplus which it dumps part of in the Upper Peninsula, creating a great problem of survival for Upper Peninsula dairy farmers and dairy manufacturers.

Wisconsin Surplus

Rep. Erlandsen said that the committee's U.P. hearings received testimony that Wisconsin has a law requiring that dairy products be priced 6 per cent above cost to assure dairymen a profit. Wisconsin dairymen, however, cannot sell all their production in Wisconsin so they dump their surplus in the Upper Peninsula and other areas where state laws do not bar them and where aggressive selling can find markets.

This dumping of Wisconsin surplus milk and other dairy products in Upper Michigan, said Erlandsen, is nice for the housewife because she gets a price advantage, but because prices need not reflect normal profit margins it makes ruinous competition for Upper Peninsula dairy industry.

Erlandsen said that the legislative committee investigating fair trade practices was not concerned with the Wisconsin plan for dock drops of milk at low prices. This is a saving on handling costs, said Erlandsen and not production costs. It substitutes a lower paid store employee as a handler of milk to the refrigerator for a higher paid trucker.

The committee found that the pressures of Wisconsin competition on Upper Peninsula dairymen is related to proximity, being much heavier in the Escanaba and Iron Mountain areas, for instance, than in the Copper Country or in Sault Ste. Marie.

Nothing New

"There is nothing new in the situation," said Erlandsen. "It is a case of surplus in one area being unloaded elsewhere at ridiculously low prices. The chain stores use these products as a loss leader and make it up elsewhere."

The committee heard reports that refrigerated cases had been

Briefly Told

Rev. Walfred Nelson will officiate at the funeral services for Evert Sundstrom at the Anderson Funeral Home at 10:30 a.m. Friday in place of Rev. Gordon Thorpe.

A special meeting of the Holy Name High School Booster Club will be held at the school Thursday evening at 8. Accomplishments since the end of school will be reviewed and plans for future activities discussed. A social hour with refreshments is planned.

Traffic court summonses have been issued by Escanaba police to Gordon D. Gardiner, 410 2nd Ave. So., excessive motor noise; and to James A. Villeneuve, 325 S. 7th St., excessive tire noise.

Cornell

Golden Wedding

Mr. and Mrs. R. C. Anderson and daughter, Kathy of Detroit are spending two weeks with Mrs. Anderson's parents, Mr. and Mrs. James Ray. The Ray's will celebrate their Golden Wedding Anniversary Sunday, July 28 at their home with open house from 2 to 6 p. m. Relatives and friends are invited to attend.

Cedarville Set For Watercade

LES CHENEAUX—Boats, piers and business places are being decked out in flags and colorful bunting in preparation here for the Les Cheneaux Watercade Aug. 3.

The Watercade, headed by the command ship, the MacDonald Yacht, with Gov. and Mrs. George Romney and party aboard will arrive at the Mertaugh Dock at 10:15 for the 14-mile cruise to McKay's Bay, site of the Michigan Limestone Co. operations. A noon day luncheon and tour of the Inter-Varsity Camp, Cedar Campus is scheduled for 1 p.m. followed by a tour of the calcite plant at Port Dolomite, conducted by Don F. Widmayer, plant manager.

Buses will be on hand to transport the Governor and his party to Alvin A. Hossack Memorial Field where the rest of the activities will be centered.

Some 20 service clubs, school and church groups are combining forces in planned activities for Gov. Romney Day here.

An Arts and Crafts Fair, under the auspices of the Grace Forgrave Missionary Society will give visitors here a collective showing of contemporary as well as early art created in the Les Cheneaux Islands. Also being staged at the Les Cheneaux High School is a wildflower conservation display. With this natural science exhibit will be a photograph display, both being arranged by Mrs. Stanfield Wells, of Islington Point.

The Les Cheneaux Yacht regatta coincides with the Aug. 3 Watercade and the fleet of sailboats on Muskegon Bay will be viewed by skippers and passengers of the marine parade.

Les Cheneaux Sportsmen's Club will get headline billing from junior citizens with an old fashioned carnival and pony rides. The Little Leaguers have scheduled a game by local teams, the Bears and Lions.

A chicken-beef-pork barbecue, tribal dancing, band concert by the high school band and a flyover by Kincheloe AFB planes are among the afternoon activities.

A band will play for dancing at a ball staged by the Law White Post and Auxiliary at 8:30 p.m.

Boat owners wishing to join in the parade should write Capt. Clifford MacLean, Box 317, Cedarville. The deadline is 5 p.m. Tuesday, July 30.

In Service

Airman Leslie J. Hill, 18, son of Mr. and Mrs. Emil Hill, Waukegan, Ill., has been reassigned to Sheppard Air Force Base in Texas from Lackland AFB, Texas, as an aircraft maintenance specialist. The former resident of Rock attended Waukegan Township High School. His parents live at 318 Ravine Ave., Waukegan.

Fair Employment Practices Bill To Get House Action

WASHINGTON (AP)—A controversial fair employment practices bill apparently is going to be the first civil rights measure to be acted on in the House this session.

Plans are being made to bring it to the floor before the Aug. 28 mass demonstration in Washington called by Negro civil rights leaders.

The chances are the administration's omnibus civil rights bill will still be making slow progress through committees then and congressional leaders would like to be able to show the demonstrators something more substantial in the way of action.

Pinning their hopes to the FEPC bill could be a risky gamble, however, as the measure faces heavy going. Congress has been refusing to act on fair employment bills for years.

Backers of the bill now getting the green light for floor action are counting on Republican support to put it across.

The bill came out of the House Education and Labor Committee with five of the 12 Republican members supporting it. Most of the others favored a substitute measure instead of flatly opposing the legislation.

The bill would create a five-member commission and an office of administrator. The commission would be empowered to issue orders banning racial discrimination in employment. The top substitute, offered by Rep. Robert P. Griffin, R-Mich., would transfer the enforcement powers to the federal courts.

Griffin has said he will offer his version on the House floor if the bill gets there.

The normal legislative route through the House Rules Committee is considered blocked and plans now being made involve bringing the bill up on what is known as Calendar Wednesday. This is an emergency procedure under which committee chairmen can call up any of their bills blocked in the Rules Committee. It is rarely used because action taken under it must be concluded in one day and numerous oppor-

tunities for delay and obstruction are available to opponents.

Administration support for the legislation has been lukewarm.

President Kennedy endorsed it in his civil rights message to Congress last month, but did not include it in his legislative package.

On the Senate side of the Capitol, Undersecretary of Labor John F. Henning urged a labor subcommittee Wednesday to act speedily on legislation to prevent employers and unions alike from discriminating against Negroes in employment.

Fishing Sites Fund Okayed

The Upper Peninsula has been allotted \$48,661 for public fishing site development work under the Accelerated Public Works program for the fiscal year 1963-64, according to John Anglim, assistant regional supervisor, field administration, Department of Conservation, Marquette.

The 15 fishing sites scheduled for completion this fiscal year include Round Lake and Garden Bay, Delta County; Pike Lake, Marquette County; Menominee River, Menominee County; Snyder Lake, two on the Manistee River, and Ashford Lake, Schoolcraft County; Grand Sable Lake, Alger County.

Manpower needed for these projects will be hired from the counties in which this work is being done.

Farm Bureau Plans Two Picnics Sunday

BARK RIVER—All Farm Bureau families in the Bark River-Harris School District are invited to picnics on Sunday. They may choose between a local picnic at Pulaski Park, Bark River, and a regional outing at Lake Antoine, Iron Mountain. Families are asked to bring their own table service.

If you come across a news tip, don't hesitate to telephone ST 6-4118, Radio WLSL.

Forsberg To Head Michigan Week

Appointment of Keith Forsberg, Marquette, as 1964 Michigan Week chairman in Region 2 — Alger, Delta, Dickinson, Marquette and Menominee counties—is announced.

Forsberg, director of placement, Northern Michigan University, will name a county Michigan Week chairman and set up a Michigan Week council in each of the counties to plan for Michigan Week, May 17-23, 1964.

Forsberg was Marquette County chairman for the 1963 Michigan Week celebration.

Perkins

Mr. and Mrs. Ray Louis and family of Menominee spent Sunday in Perkins. Their daughter, Nancy returned with them after spending a week at the Donald Depuydt home.

Bill LaChance, who is in the Security Division of the U. S. Navy at Ft. Mead, Md., is spending two weeks with his parents, Mr. and Mrs. Laurence LaChance.

Rev. Monsignor Cyril Vogel, who has been spending the past two weeks of vacation with Father Edward Malloy, has returned at LaTrobe, Pa.

Mr. and Mrs. Peter Vermote and family of Milwaukee, Wis., are visiting in St. Nicholas with Mr. and Mrs. Constant Vermote and Mr. and Mrs. Rene Vermote and with other friends in the area.

Hospital

Miss Joan Besson of 805 S. 10th St., is a medical patient in St. Joseph's Hospital in Belvidere, Ill. She has been a patient at the hospital for the past 10 months.
